ANNUAL REPORT
OF
THE TOWN OF
BRAINTREE
MASSACHUSETTS

For The Year
1962

BOARD OF SELECTMEN

PAUL H. YOUNG, CHAIRMAN

HARRISON T. SMILEY, CLERK

FRED A. TENNEY

Upon Mr. Smiley's re-election in March the board has not changed its membership although Mr. Young has served as Chairman during the past year. Due to his retirement from active business Mr. Young has been able to devote more than the normal amount of time investigating problems coming before the board.

The routine of three regular monthly meetings plus specials as required has continued.

As a Licensing Board only three new liquor licenses have been issued: the Charterhouse Motor Hotel- the Rib Room at the Plaza and a Club license to Chapter 29, Disabled American Veterans.

A serious problem calling for much study and attention arose in the Police Department due first to the death of Deputy Chief Eric Nelson and later to the retirement of former Chief Edward D. Cahill. Pending the qualification of new men for these positions through Civil Service examinations several temporary appointments were made. Ultimately a new Chief, John V. Polio was appointed December 12, 1962. At this writing the position of Deputy Chief has not been filled and some consideration is being given by the Selectmen to changes suggested by the new Chief of Police.

Several substantial sales have been made of Foreclosed Tax Title land as indicated by the following list of receipts:

Sale of Tax Title Possessions	\$24,815.00
Payment in lieu of taxes - Tax Title Possessions	358.10
Licenses and Permits	13,810.00
Refund - Group Insurance	16,052.96
Insurance Receipts - Property Damage	302.35
Insurance - Return Premiums and Dividends	<u>20,530.00</u>
	\$75,868.41

We express appreciation to our fellow employees of the Town for their cooperation and to the public for their understanding of our problems.

1962 REPORT OF THE TOWN CLERK

CARL R. JOHNSON, JR.

DETAIL OF RECEIPTS FOR THE YEARS 1961-1962

DOG LICENSES

1961 - \$4,462.50

1961 - \$69.00

1962 - 67.00

MISCELLANEOUS

1961 - \$ 93.35

1962 - 116.75

The staff and myself are pleased to be able to report an increase in revenue for the year 1962. We do hope however that the efficiency of this office will not be measured only in terms of revenue but also by our efforts to be of service to the townspeople.

Respectfully submitted,

CARL R. JOHNSON, JR.

Town Clerk

TOWN ELECTION

Braintree, Massachusetts
March 5, 1962

In accordance with the foregoing Warrant, the voters assembled in their respective precincts to cast their ballots for the several Town Officers, also to vote for eighty-nine Town Meeting Members.

The Polls were opened in all the Precincts at eight o'clock in the forenoon and were closed at eight in the evening.

The following Election Officers served:

PRECINCT 1A.

Warden, Albert A. Burke; Clerk, N. Jean Osmond; and June C. Vitagliano, Nancy Fazio, Ann C. Peterson, Lucy D. Derby, Ruth R. Cameron, Beverly M. Pratt, Rita M. Dwyer, Frances L. Lovell, Henry C. Lake, Mary J. Riley, Cecilia D. Hutchinson.

RETURNS received in Town Clerk's Office at 7:00 A. M.

PRECINCT 1B.

Warden, Henry J. Barry; Clerk, Helen A. Roberts; and Eileen Donahue, Pauline Graziano, Mary A. Hall, Angelo M. Carlino, Helen M. Aiello, Nancy G. Nicosia, Freida L. Branlund, George L. Abell, Marie A. Richardi, Josephine M. DiBona, Frederick J. Nickerson, Jr.

RETURNS received in Town Clerk's Office at 5:45 A. M.

PRECINCT 2.

Warden, Charles F. Dasey; Clerk, Joseph C. Kazanowski; and Robert M. Sullivan, Esther M. Murray, Mary M. Sullivan, Mary R. O'Connell, Barbara M. Antonelli, Ardith M. Browne, Mary Stratton, Elizabeth L. McCarthy, Josephine Martino, Rita M. Lynch, Paul B. Morrison, Ellen F. Pierce, Kathleen A. Currie, Daisy M. Oakley, Lillian G. Eisenhauer.

RETURNS received in Town Clerk's Office at 8:30 A. M.

PRECINCT 3.

Warden, James F. Burns; Clerk, John A. O'Hare; and Harold A. Donahoe, Jr., Claire T. Leonard, Barbara Opie, Marjorie L. Crispin, Lillian Nordstrom, Ina Whitcomb, Dorothy M. Montosi, Lucy G. Burlone, Beatrice W. Silver, Dorothy H. Cross, Helen B. Howes, Manley E. Davis.

RETURNS received in Town Clerk's Office at 5:45 A. M.

PRECINCT 4.

Warden, Ivor V. Campbell; Clerk, Mary E. Green; and Mary B. LaTanzi, Carlene Sullivan, Ruth L. Trainor, Lorraine H. Kinnibrugh, Mary J. Killory, Virginia Giachetti, Patricia J. Arnold, Mary M. Wieners, Ann T. O'Brien, Frank Mischler, Anna M. Drinkwater, Isabelle C. McLaughlin, Margaret E. MacDonald.

RETURNS received in Town Clerk's Office at 6:40 A. M.

PRECINCT 5.

Warden, Thomas F. Cassidy; Clerk, Robert B. Fall; and Kathleen Bjorkman, Emma A. Cohoon, Helena K. Barrett, Marguerite Grey, Gloria P. Garvin, Mary E. Charles, George J. Claupein, Martin J. Kelley, Mary L. Dhooge, Sadie C. Thoren, Maud A. Johnson.

RETURNS received in Town Clerk's Office at 3:45 A. M.

PRECINCT 6.

Warden, Howard R. Beaver; Clerk, Ernestine F. Files; and Marie Parkis, Mildred M. Levangie, Gladys V. Fontoni, Edgar G. Clark, Virginia P. Shields, Kathryn L. Sopp, John J. Curley, Elizabeth H. Metayer, Lillian F. Jenkins, Elizabeth Gropp, Ida L. Knight.

RETURNS received in Town Clerk's Office at 3:10 A. M.

At the opening of the Polls the ballot boxes were inspected and found to be empty and the registers set to zero (0). The keys were placed in charge of the Constables of their respective Precincts. The meetings were conducted in like manner and accordance with the Law.

At the close of the Polls when all votes had been canvassed, counted, recorded and ballots sealed according to law, they were then forwarded to the Town Clerk's Office where the figures were tabulated, proved and the results declared by Board of Registrars.

ORDER FOR RECOUNT

Upon receipt of petitions for a recount of the ballots cast at the Annual Town Election for the Office of Moderator the Board of Registrars met for the purpose of examining said petitions and certifying the names of ten or more registered voters in each voting precinct in conformity with Chapter 54, Section 135 of the General Laws.

After examination of said petitions, which were found to be in proper order, it was unanimously voted that the registrars be in session on March 23, 1962, at 9:00 A. M. at the Town Hall for the purpose of conducting a recount of the ballots cast at the Annual Town Election for the Office of Moderator.

RECOUNT

Braintree, Massachusetts
March 23, 1962

In accordance with the foregoing mentioned petitions, the recount was held at 9:00 A. M. at the Town Hall by the Board of Registrars in accordance with the provisions of Chapter 54, Section 135 of the General Laws.

ORDER FOR STATE WIDE RECOUNT FOR GOVERNOR
THE COMMONWEALTH OF MASSACHUSETTS
OFFICE OF THE SECRETARY
STATE HOUSE, BOSTON

November 21, 1962

To City and Town Clerks and Election Commissioners:

WHEREAS, - Petitions have been filed with the State Secretary, in the interest of John A. Volpe of Winchester, Republican candidate for the office of Governor, for statewide recounts of ballots cast at the election held November 6, 1962, for the office of Governor of the Commonwealth, under the provisions of General Laws, Chapter 54, Section 135, as amended; and

WHEREAS, - after the official tabulation of votes by the Governor and Council it appears that the difference in the number of votes cast for the two leading candidates for the office of Governor is less than one half of one per cent of the total number of votes cast for such office;

THEREFORE, - under the provisions of said section 135, as amended, it becomes my duty to, and I do hereby, order the clerk of each city and town of the Commonwealth to transmit forthwith, and said clerk shall so transmit, the envelopes containing the ballots, sealed, to the registrars of the city or town who shall, without unnecessary delay, open the envelopes recount the ballots cast for said office and determine the questions raised.

Very truly yours,

(Signed) KEVIN H. WHITE

KEVIN H. WHITE
Secretary of the Commonwealth

RECOUNT

Braintree, Massachusetts
November 27, 1962

In accordance with the foregoing Petition, the recount for office of Governor of the Commonwealth was held at 9:00 A. M. at the Town Hall by the Board of Registrars in accordance with the provisions of Chapter 54, Section 135, General Laws.

ORDER FOR RECOUNT

Upon receipt of petitions for a recount of the ballots cast at the State Elections for the Office of County Commissioner the Board of Registrars met for the purpose of examining said petitions and certifying the names of ten or more registered voters in each voting precinct in conformity with Chapter 54, Section 135 of the General Laws.

After examination of said petitions, which were found to be in proper order, it was unanimously voted that the Registrars be in session on November 27, 1962, at 9:00 A. M., at the Town Hall for the purpose of conducting a recount of the ballots cast at the State Election for the Office of County Commissioner.

(Signed) Carl R. Johnson, Jr.

Town Clerk and Clerk of the
Board of Registrars

RECOUNT

Braintree, Massachusetts
November 27, 1962

In accordance with the foregoing Petitions, the recount was held at 9:00 A. M. at the Town Hall by the Board of Registrars in accordance with the provisions of Chapter 54, Section 135 of the General Laws.

TOWN OF BRAINTREE
ANNUAL TOWN MEETING
MONDAY, MARCH 19, 1962

Pursuant to a Warrant duly issued, the Annual Town Meeting of the inhabitants of the Town of Braintree, represented by their duly elected and qualified Town Meeting Members, was held in the Braintree Town Hall on Monday, March 19, 1962.

The meeting was called to order at 7:55 o'clock in the evening by the Moderator, Mr. John J. Canavan.

Prayer for Divine Guidance was offered by Rev. Ernest B. Johnson, Jr. Pastor of the Union Congregational Church, East Braintree.

The meeting stood for a moment of silent prayer in memory of the following Town Meeting Members who have passed away since the last Town Meeting: E. Theodore Nokes, 318 Commercial Street, Precinct 5; Leonard F. Cushing, 27 Bowditch Street, Precinct 5.

Newly elected Town Meeting Members were sworn in by the Town Clerk.

There were 216 Town Meeting Members present.

The Moderator declared a quorum present.

The following tellers were appointed by the Moderator to serve during the course of the evening:

Herbert B. Hollis
Joseph Page
George Brackett
John Stenberg

Wallace Strathdee
Harrison Keith
Philip Dexter
Thomas Cassidy

We now continue with consideration of the articles in the Warrant.

ARTICLE 1. To choose all Town Officers except those elected by ballot.

SO VOTED The election of Dominic F. Diauto, Matthew McCusker and George A. Williams as Measurers of Wood and Weighers of Hay.

SO VOTED The election of Daniel A. Maloney, Shelley A. Neal and Joseph F. Connolly as Measurers of Lumber

ARTICLE 2. Reports of Boards and Committees and choosing of Committees.

SO VOTED That Article 2 be taken up in conjunction with all other Articles in the Warrant.

ARTICLE 3. Authorizing Treasurer to borrow in anticipation of 1962 revenue.

SO VOTED That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of Section 17, Chapter 44, General Laws.

ARTICLE 4. Authorizing Treasurer to borrow in anticipation of 1963 revenue.

SO VOTED That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of Section 17, Chapter 44, General Laws.

ARTICLE 5. Amendment of Schedules A and B of the Salary Administration Plan.

MOVED by Mr. Laing:

To amend Schedule B, ITS Group, to establish three rates, as published in the report of the Personnel Board, instead of the present five rates.

Discussion ensued involving Mr. Page and Mr. Laing.

SO VOTED

MOVED by Mr. Laing:

To amend Schedule B, Office Occupations, to establish one rate, as published in the report of the Personnel Board, instead of the present five rates.

Mr. Laing spoke on the motion.

SO VOTED

MOVED by Mr. Laing:

To amend Schedule B of the Salary Administration Plan by substituting the rates shown under Part III of the report of the Personnel Board for those now in effect with respect to ATP, ITS, OO, and Police and Fire classifications.

Discussion ensued involving Mr. Page, Mr. Laing and Mr. Pinault.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 107 votes in the affirmative and 101 in the negative. The Moderator then declared the motion by Mr. Laing.

SO VOTED

ARTICLE 6. General increases under Salary Administration Plan.

SO VOTED That Article 6 be laid on the table.

ARTICLE 7. Appointment of Administrative Assistant to the Board of Selectmen.

Under Article 2 Mr. Withington presented the following report of the Government Study Committee.

The Town Government Study Committee, appointed pursuant to a vote of the 1958 Annual Town Meeting, with its complement increased by vote of 1960 Annual Town Meeting to include representatives from five town departments, makes the following progress report:

Your committee of 12 has met regularly during the past year to discuss various questions of municipal organization and functions.

With representation from the Board of Selectmen, School, Sewer, Water and Electric Light Departments, it was possible to obtain a cross-section of opinion and divergent points of view. Private citizens and Town Meeting members also contributed from time to time suggestions and helpful comments in our open meetings.

Two particular subjects were in the forefront of our deliberations:

First, the 1961 Annual Town Meeting referred to us for study, a recommendation to increase the Board of Selectmen from 3 to 5 members. After much discussion as to the advantages and disadvantages of this change, your Study Committee is not ready to make any recommendation on this matter. We feel that there is certainly no urgency, and that other more important constructive suggestions can be considered at this time.

Second, it is the unanimous recommendation of your Study Committee that an administrative assistant be appointed to serve under the Board of Selectmen to assist them in their administrative functions and to assist all

other town boards, such as the Personnel Board and the Finance Committee, in lightening the ever-increasing and complex burdens which they are dutifully trying to fulfill.

In this Committee's judgment, we should preserve our basic town Administrative structure because it lends itself to greater citizen participation. We feel, however, that it is vital to our Town Meeting form of government that a full-time assistant and coordinator be provided to help our town officials administer a multi-million dollar operation as efficiently as possible.

There has been some confusion in the past that an administrative assistant and a Town Manager were synonymous. Nothing could be farther from the truth. A Town Manager appoints, directs and administers. The key word in our proposal is "assist", which is exactly what an administrative assistant will do. Note that in our recommendation, NO TOWN OFFICIAL, ELECTED OR APPOINTED, WILL LOSE ONE IOTA OF POWER, AUTHORITY OR RESPONSIBILITY. All policy and all decisions would be the responsibility of elected officials; the administrative assistant would implement their decisions and their policies. The administrative assistant approach has been quietly successful in many towns in the Commonwealth; witness the experience of Brookline who adopted the plan in 1942, and their administrative assistant has served ever since.

We wish to make it clear that our recommendation is no reflection on present officials. We feel that Braintree can be justly proud of the men serving this town as town officials in their voluntary, or practically voluntary, duties. The growth of the Town, however, has increased their burdens to the point where help is needed. Therefore, the appointment of a trained, professional person to assist them seems to be a logical and imperative step.

It is our recommendation that the duties of an Administrative Assistant include the following:

a. Perform any and all administrative duties designated by the Board of Selectmen, carrying out policies set by that Board.

b. Act as a Public Relations Officer, receiving inquiries from the Public, adjusting complaints, and making referrals to proper departments or agencies as the situation requires.

c. Make studies and reports as directed by Board of Selectmen to provide said Board with factual information upon which they may base their decisions or establish their policies.

d. Work with and assist all departments under the jurisdiction of the Board of Selectmen, and any other Town Department, Board or Committee at their request for the purpose of promoting increased efficiency in the operation of town government.

e. Cooperate with any and all Town departments in effecting consolidated purchase of various materials which may seem feasible, with the approval of said departments.

f. Assist in the preparation of budgets for all departments under the jurisdiction of the Board of Selectmen; and review budgets, at the request of the Finance Committee, of all other Town departments, making recommendations regarding same.

g. Supervise the preparation of the Annual Town Report, also warrants for Town Meetings.

h. Must personally report to the Annual Town Meeting of his accomplishments for the preceding year.

i. Represent the Board of Selectmen at their request at hearings, meetings, or other functions, and perform any other duties as the Board may direct.

This committee recommends that:

An administrative assistant to the Board of Selectmen be appointed by a committee consisting of the Board of Selectmen, Chairman of the Finance Committee, and the Town Moderator.

Appointment to be made annually by a majority of the committee. The appointee may be removed with 30 days' notice likewise by a majority vote of the appointing authority.

He shall act by and for the Selectmen in any matter which they may assign to him relating to the administration of the affairs of the town or of any town office or department under their supervision and control; or, with the approval of the Selectmen, may perform such other duties as may be requested of him by any other town officer, board, committee or commission.

Appointee need not be a resident of the Town of Braintree when appointed but must become such within a period determined by the appointing authority. During the time of his appointment, he shall hold no elected public office. He must be a graduate of a 4-year college course, majoring in municipal administration. Minimum of two years practical experience in public administration will be required. Additional experience in municipal administration by judgment of the appointing body may be substituted for the educational requirements in public administration.

We further recommend, that to provide funds for this appointment, based on a maximum annual starting salary of \$10,000., that the sum of \$5,000. be raised and appropriated for the year 1962.

Respectfully submitted,
Town Government Study Committee

Rodney C. Powers, Secretary
Ovidio D. Chiesa, Vice-Chairman
Whitney Withington, Chairman

William G. Dyer (Sewer Board)
Walter H. Hansen (Electric Light Board)
Thomas H. Matthews (Water Board)
William E. Trainor (School Board)
Paul H. Young (Board of Selectmen)

Allan C. Emery, Jr.
William H. Gustafson
Robert T. Jones
Edward H. Libertine

SO VOTED That the report be accepted as a report of progress and the Committee to continue its deliberations.

MOVED by Mr. Withington:

An administrative assistant to the Board of Selectmen be appointed by a committee consisting of the Board of Selectmen, Chairman of the Finance Committee, and the Town Moderator.

Appointment to be made annually by a majority of the committee. The appointee may be removed with 30 days' notice likewise by a majority vote of the appointing authority.

He shall act by and for the selectmen in any matter which they may assign to him relating to the administration of the affairs of the town or of any town office or department under their supervision and control; or, with the approval of the selectmen, may perform such other duties as may be requested of him by any other town officer, board, committee or commission.

Appointee need not be a resident of the Town of Braintree when appointed but must become such within a period determined by the appointing authority. During the time of his appointment he shall hold no elected public office. He must be a graduate of a 4-year college course, majoring in municipal administration. Minimum of two years practical experience in public administration will be required. Additional experience in municipal administration by judgment of the appointing body may be substituted for the educational requirements in public administration.

Further moved, that to provide funds for this appointment, based on an annual starting salary not to exceed \$10,000, that the sum of \$5,000 be raised and appropriated for the year 1962.

Mr. Withington spoke on the motion.

MOVED by Mr. Hollis the following amendment to the motion by Mr. Withington:

That the original appointment only of an Administrative Assistant to the Board of Selectmen shall be by the Board of Selectmen from a list of qualified persons recommended by the committee to examine into Municipal Government and Administration, and that no one, elected or appointed, presently serving as an official of the Town of Braintree, shall be eligible for appointment as Administrative Assistant to the Board of Selectmen.

Lengthy discussion ensued involving several of the Town Meeting Members.

Comes now the question on the amendment by Mr. Hollis to the motion by Mr. Withington.

Vote was taken and the Moderator declared the amendment by Mr. Hollis to the motion by Mr. Withington LOST.

Comes now the question on the motion by Mr. Withington.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 80 votes in the affirmative and 126 votes in the negative. The Moderator then declared the motion by Mr. Withington LOST.

ARTICLE 8. Amend By-Laws to provide for Administrative Assistant.

SO VOTED No action.

(Recess from 9:55 P. M. to 10:10 P. M.)

ARTICLE 2.

UNANIMOUSLY VOTED. Be it resolved, that it is the sense of this Town Meeting that the 1962 Salary Schedule as passed by this Town Meeting will be in effect for a period of at least two years.

ARTICLE 9. Increase members of the Board of Selectmen from three to five.

That the number of members of the Board of Selectmen be increased from three to five and further to accomplish said purpose by electing at the annual election in 1963; one member to serve three years, one member to serve two years and one member to serve one year together with the present members whose terms do not expire and to provide that their successors shall each be elected for a term of three years.

Mr. Page spoke on the motion.

MOVED the following substitute motion by Mr. Hollis:

Indefinite postponement.

Mr. Hollis spoke on the substitute motion .

Comes now the question on the substitute motion by Mr. Hollis.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 131 votes in the affirmative and 53 votes in the negative. The Moderator then declared the substitute motion by Mr. Hollis

SO VOTED

ARTICLE 10. Salaries elective Town Officers

SO VOTED That Article 10 be taken up in conjunction with Article 11.

ARTICLE 11. Funds for Interest, Maturing Debt and Town Departments.

UNANIMOUSLY VOTED That there be raised and appropriated or transferred from available funds for Maturing Debt and Interest and for charges and expenses of the Town Departments, the following appropriations, the salaries of the elective Town Officers in each case to be for the calendar year 1962, except any salary increase for Elective Officers which may be approved shall not become effective before the beginning of the fourteenth week of 1962.

UNANIMOUSLY VOTED That the Annual Town Meeting by adjourned until 7:45 P. M., Wednesday, March 21, 1962.

TOWN OF BRAINTREE
ADJOURNED ANNUAL TOWN MEETING
WEDNESDAY, MARCH 21, 1962

The Adjourned Annual Town Meeting was called to order at 7:55 o'clock in the evening of Wednesday, March 21, 1962, by the Moderator, Mr. John J. Canavan.

There were 186 Town Meeting Members present.

The Moderator declared a quorum present.

Prayer for Divine Guidance was offered by Rev. Fr. John Donovan of St. Thomas More R. C. Church, Braintree.

The following tellers were appointed by the Moderator to serve during the course of the evening:

Carl W. R. Johnson
Robert V. McCormick
Marjorie Bates
Kenneth Gould

Dr. Mary Halpin
George Allen
John Libertine
Francis Cole

We now continue with consideration of the Articles in the Warrant.

SO VOTED That Article 11, Items 7, 8, 9 and 11 be taken from the table.

ARTICLE 11, Item 7. Assessors

That there be raised and appropriated the sum of \$ 3,900.00
\$3,900.00 for Salaries - Board.

MOVED the following substitute motion by Mr. Shannon:

That the sum of \$4,500.00 be raised and appropriated for the salaries of the Board of Assessors.

Discussion ensued involving Mr. Shannon and Mr. Page.

Comes now the question on the substitute motion by Mr. Shannon.

Vote was taken and the Moderator declared the substitute motion by Mr. Shannon LOST.

Comes now the question on the motion by Mr. Page.

SO VOTED

MOVED by Mr. Cuff:

To include an item New Equipment - Adding Machine and that there be raised and appropriated the sum of \$230.00, which sum, together with the proceeds of a turn-in sale of one adding machine, which sale is hereby authorized, shall be used for the purchase of one new adding machine.

Discussion ensued involving Mr. Cuff and Mr. Page.

Comes now the question on the motion by Mr. Cuff.

Vote was taken and the Moderator declared the motion by Mr. Cuff LOST.

ARTICLE 11, Item 8. Treasurer

MOVED by Mr. Page:

That there be raised and appropriated the sum of \$7,200.00 for Salary - Treasurer.

MOVED the following substitute motion by Mr. Crispin:

That there be raised and appropriated the sum of \$7,500.00 for Salary - Treasurer.

Comes now the question on the substitute motion by Mr. Crispin.

Vote was taken and the Moderator declared the substitute motion by Mr. Crispin.

More than seven Town Meeting Members doubting the vote the Moderator ordered a teller count. Vote and count were taken and the tellers reported 82 votes in the affirmative and 78 votes in the negative. The Moderator then declared the substitute motion by Mr. Crispin

SO VOTED

Mr. Page requested unanimous consent, which was granted, to reconsidered the vote taken on the substitute motion by Mr. Crispin.

MOVED the following substitute motion by Mr. Page:

That the salary of the Treasurer shall be established at an annual rate of \$7,500.00 and for which purpose \$7,425.00 shall be raised and appropriated this year. \$ 7,425.00

Comes now the question on the substitute motion by Mr. Page.

SO VOTED

ARTICLE 11, Item 9. Tax Collector

MOVED by Mr. Page:

That there be raised and appropriated the sum of \$7,500.00 for Salary - Tax Collector.

MOVED the following substitute motion by Mr. Shannon:

That the sum of \$7,820.63 be raised and appropriated for Salary - Tax Collector.

Discussion ensued involving Mr. Shannon and Mr. Page.

Mr. Shannon requested unanimous consent to withdraw his substitute motion, which was granted.

MOVED the following substitute motion by Mr. Page:

That there be raised and appropriated the sum of \$7,725.00 for Salary - Tax Collector. 7,725.00

Comes now the question on the substitute motion by Mr. Page.

Vote was taken and the Moderator being in doubt a teller count was ordered. Vote and count were taken and the tellers reported 116 votes in the affirmative and 43 votes in the negative. The Moderator then declared the substitute motion by Mr. Page

SO VOTED

ARTICLE 11, Item 11. Elections

That there be raised and appropriated the sum of \$816.00 to be expended by the Selectmen for the purpose of replacing defective voting booths and the purchase of necessary additional booths. 816.00

	Physical Education	22,000.00
	Graduation and Institutes	2,200.00
	Total Auxiliary Agencies	<u>163,340.00</u>
V	General Control	
	Salary - Superintendent	15,250.00
	Other General Salaries	39,700.00
	Other General Expenses	4,700.00
	School Committee Expenses	700.00
	Out of State Travel	1,500.00
	Total General Control	<u>61,850.00</u>
VI	Outlay	
	Alteration and Improvement to Grounds	3,000.00
VII	Evening School	7,200.00
VIII	School Athletic Fund	<u>9,800.00</u>

That there be raised and appropriated the sum of \$3,094,503.00 for the support of the Public Schools together with the proceeds of the turn-in sale of 53 used typewriters.

\$3,094,503.00

Discussion ensued involving Mr. Smart, Dr. Frogel, Mr. Page and Mrs. Burdett.

UNANIMOUSLY VOTED

ARTICLE 37, Item 37. Parks and Playgrounds

That there be appropriated the sum of \$3,137.15 to be expended by the Parks and Playgrounds Commission for installing a new Water Line from Golf Course Club House to the 6th tee and that to meet said appropriation said sum be transferred from the Golf Course Reserve.

3,137.15

Discussion ensued involving Mr. P. Young, Mr. Page and Mr. Hunt.

SO VOTED

SO VOTED That of the total of \$78,575.42 appropriated for the Department of Parks and Playgrounds, the sum of \$23,877.84 be transferred from the Golf Course Reserve, and the balance of \$54,697.58 be raised in the tax levy.

ARTICLE 11, Item 41. Insurance Premiums

That there be raised and appropriated the sum of \$61,627.00 as follows:

Employees Compensation	\$31,050.00	
Fire, Extended Coverage, Building and Contents	23,000.00	
Automobile Liability	<u>7,577.00</u>	\$61,627.00

Upon motion duly made by Mr. Webber under Article 2, it was:

SO VOTED (9:20 P. M.): Be it resolved: That it is the sense of this Town Meeting that the Insurance Committee be instructed to place the Town of Braintree's insurance wherever possible with a mutual company or companies, in particular with reference to Workmen's Compensation and Fire Coverage.

And may it be the pleasure and the sense of this Town Meeting that the insurance commissions paid to the Town's Insurance Committee that of this amount no less than eight thousand dollars be set aside annually and specifically for the purpose of establishing a scholarship fund for the worthy and well qualified students of any taxpayer of the Town of Braintree.

May it be further resolved: That the Moderator appoint a committee comprised of individuals, other than insurance agents, to oversee and direct the scholarship fund.

Discussion ensued involving Mr. Belcher and Mr. Page.

Comes now the question on the motion by Mr. Page.

SO VOTED

ARTICLE 11, Item 46. Water Department
Maintenance and Operation

MOVED by Mr. T. Matthews:

That the sum of \$100.00 for Out of State Travel, as recommended by the Finance Committee, be increased to \$200.00, and the sum of \$319,559.70 for Other Expenses including New Equipment and Wages, as recommended by the Finance Committee, be increased to \$331,723.70.

Discussion ensued involving Mr. Matthews, Mr. Page, Mr. Pinault and Mr. Buckley.

SO VOTED

UNANIMOUSLY VOTED That there be appropriated for the maintenance, operation and development of the Water Supply System, including the purchase of New Equipment, Laying and Relaying of Water Mains and Necessary Land Takings, the sum of \$407,759.27 to be expended as follows:

Salary, Superintendent	\$ 7,925.00	
Salary, Clerks	19,578.00	
Salary Adjustment (Men)	1,053.07	
Debt & Interest	47,279.50	
Out of State Travel	200.00	
Other Expenses, including New Equipment and Wages	331,723.70	\$407,759.27

And to meet said appropriation the sum of \$57,204.34 shall be transferred from the Water Department Reserve at the end of 1961 and the balance of \$350,554.93 shall be taken from the Revenue of the Water Department for the year 1962.

ARTICLE 11, Item 47. Industrial Development Commission

That there be raised and appropriated the sum of \$1,560.00 for Expenses, and the sum of \$100.00 for Out of State Travel.

MOVED the following substitute motion by Mr. Brooks:

That the sum of \$3,275.00 for Expenses and the sum of \$100.00 for Out of State Travel be raised and appropriated for the Braintree Industrial Commission. 3,375.00

Discussion ensued involving Mr. Brooks, Mr. A. T. Morrison, Mr. Page, Mr. Libertine and Mr. Anderson.

Comes now the question on the substitute motion by Mr. Brooks.

SO VOTED

(Recess from 10:04 P. M. to 10:15 P. M.)

ARTICLE 11, Item 58. South Shore Mosquito Control Project

That the sum of \$5,600.00 be raised and appropriated for South Shore Mosquito Control. 5,600.00

MOVED the following substitute motion by Mr. Arnold:

That the sum of \$4,600.00 be raised and appropriated for South Shore Mosquito Control.

Discussion ensued involving Mr. Arnold and Mr. Page.

Comes now the question on the substitute motion by Mr. Arnold.

Vote was taken and the Moderator declared the substitute motion by Mr. Arnold LOST.

Comes now the question on the motion by Mr. Page.

SO VOTED

MOVED by Mr. Withington in compliance with Article II, Section 7, of the By-laws:

Reconsideration of action taken under Article 7.

Discussion ensued involving Mr. Withington, Mr. Cole, Mr. Chiesa, Mr. Hunt, Mr. Page, Town Clerk Johnson, and Mr. Pinault.

MOVED by Mr. Laing:

That the vote on Mr. Withington's motion be by Roll Call.

Comes now the question on the motion by Mr. Laing.

Vote was taken and the Moderator declared the motion by Mr. Laing LOST.

Further discussion ensued involving Mr. Hunt, Mr. Littlejohn and Mr. Arnold.

Comes now the question on the motion by Mr. Withington.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 63 votes in the affirmative and 105 votes in the negative. The Moderator then declared the motion by Mr. Withington LOST.

ARTICLE 12. Salaries Electric Light Commissioners.

(No action necessary. Refer to Article 11, Item 44.)

ARTICLE 13. Municipal Light Plant

UNANIMOUSLY VOTED (10:48 P.M.): That the sum of \$45,717.00 appropriated under Article 11 of this Warrant, for Electricity used for street lighting together with the income from the sales of electricity to private consumers and for current supplied to Municipal Buildings and for Municipal Power and from the sales of appliances and jobbing during the current fiscal year be expended under the direction and control of the Municipal Light Board for repairs, renewals, new construction and operating expenses of the plant, including a sum not to exceed \$45,717.00 be turned over to the Town Treasury in lieu of taxes, for the fiscal year as defined in Section 57, Chapter 164 of the General Laws and that if said income shall exceed the expenses for the fiscal year such amount of excess as is deemed necessary by the Municipal Light Board shall be transferred to the Construction Fund of said plant and appropriated and shall be used for such additions to the plant as may thereafter be authorized by the Municipal Light Board and any remaining amount paid into the surplus of the Town Treasury.

ARTICLE 14. Funds from Braintree Housing Authority to Town.

UNANIMOUSLY VOTED That \$50,954.40 be transferred from Receipts Reserved for appropriation Braintree Housing Authority to the Town to be used by the Assessors in determination of the Tax Rate for 1962.

Upon motion duly made by Mr. Page, it was

SO VOTED (10:49 P. M.): That Article 17 be considered at this time.

ARTICLE 17. Appropriation for Council of the Aging.

That the sum of \$500.00 be raised and appropriated to be expended by the Committee for the Aging for the distribution of information to the people 65 years old and older giving data on services available to people of these ages; which committee shall be reorganized to include members of the present committee for the Aging, three members of the Housing Authority, and three members of the Town Government Study Committee, to be appointed by the Moderator, and report at the next special or annual Town Meeting giving specific recommendations for the needs of the Town's Aging.

\$500.00

Under Article 2 Mr. Kelley presented the following report of the Committee to study the Problems of the Aging.

Mr. Moderator, Town Members: This is the report of the Committee to study the problems of the Aging as it affects the Town of Braintree. This committee was appointed by Mr. Mower at last year's town meeting. During the year the Committee met with the Chairman of the Council for the Aging from the Town of Weymouth. The Town of Weymouth has a very active program. The year that Weymouth established this council for the Aging, their first action was to publish a booklet listing the 25 or 30 various agencies in town that were available to their senior citizens in the many diverse fields where help might be needed. This booklet was mailed to every resident of the town who was over the age of 65. It listed the agencies, the administrators in charge of these agencies and their telephone numbers. If one of the senior citizens needed legal help, for instance, the agency's telephone number and person to speak to were readily available. The value of such a booklet becomes especially apparent.

The purposes of the Braintree Council for the Aging are as follows:

1. To see what facilities and services for older citizens Braintree already has.
2. To be a clearing house for this kind of information.
3. To encourage and support efforts already being made.
4. To increase cooperation among the various organizations, agencies and departments involved.
5. To discover unmet needs.

6. To suggest courses of action.
7. To create positive attitudes toward the elderly.
8. To help to provide opportunities for them to remain active, alert and useful members of the community.
9. To be the local channel of communication with state and federal agencies dealing with the interests and needs of older people.

The 1960 census shows that the population of the United States 65 years of age and older reached 17 million or 9% of the total population. By 1980 the number of older people is expected to exceed 24 million. Applying these ratios to the Town of Braintree shows that we have 3200 people of the age of 65. This figure can be projected over the next 18 to 20 years to 4500 to 5,000. The purpose of establishing a Council for the Aging in the Town of Braintree now becomes apparent:

1. To prepare now for the busier years that are to follow.
2. To coordinate the various agencies in the town to better serve this large group of people.

The Finance Committee has agreed with the study committee that this Council should be established. A \$500.00 appropriation has been made to print and mail the booklet that I mentioned previously that was so successful in the Town of Weymouth.

Mr. Davis, the Chairman for the Massachusetts Council for the Aging, summarizes the thoughts of the Committee in the following words: Without going into the social changes that created these problems it is enough to note the effects on our older people. Many live alone, away from family and friends. They may be prevented from working because of poor health or advanced years. Hence, through no choice of their own they become dependent on their children or on public assistance. Lonliness, poor health, inadequate housing, and dependency are what we mean by problems of the aging. Ultimately these problems are defined in terms of people -- your parents or grandparents and your neighbors -- and in terms of their needs. The problems of the aging become your own.

Respectfully submitted,
Charles J. Kelley, Chairman
Howard R. Beaver
James G. Buckley

UNANIMOUSLY VOTED That the report of the Committee be accepted as a report of progress and the Committee continue its deliberations.

Discussion ensued involving Mr. Page and Miss Bates.

Comes now the question on the motion by Mr. Page

SO VOTED

Upon motion duly made by Mr. Delory, it was

UNANIMOUSLY VOTED That the Annual Town Meeting be adjourned until 7:45 P. M., Monday, March 26, 1962.

TOWN OF BRAINTREE
ADJOURNED ANNUAL TOWN MEETING
MONDAY, MARCH 26, 1962

The Adjourned Annual Town Meeting was called to order at 7:45 o'clock in the evening of Monday, March 26, 1962, by the Moderator, Mr. John J. Canavan.

There were 197 Town Meeting Members present.

The Moderator declared a quorum present.

Prayer for Divine Guidance was offered by Rev. Nathan Wood of Braintree Highlands Baptist Church.

The following tellers were appointed by the Moderator to serve during the course of the evening:

Vito D'Acci
Ralph Bucknam
John Mahar
Patricia Arnold

Marjorie Crispin
Rachael White
James McCue
Silvio Ferrante

We now continue with consideration of the Articles in the Warrant.

SO VOTED That Article 11, Item 12 be taken from the table.

ARTICLE 11, Item 12. Registration

UNANIMOUSLY VOTED That there be raised and \$182.50
appropriated the sum of \$182.50 for Recount Expense -
Town Election.

ARTICLE 2.

Upon motion duly made by Mr. Murray, it was

UNANIMOUSLY VOTED That the Moderator appoint a committee of three (3), one of whom shall be a member of the Finance Committee and another the Town Clerk, for the purpose of determining the feasibility of purchasing or renting voting machines to be used in all of the voting precincts or any portion thereof and report to the next Annual Town Meeting and insert in the warrant any Article or Articles that they may deem necessary.

ARTICLE 15. Housing Project for Elderly Persons.

SO VOTED Indefinite postponement.

ARTICLE 16. Amend By-Laws for Council for the Aging.

SO VOTED Indefinite Postponement.

ARTICLE 18. Memorial Day
(No action necessary. Refer to Article 11, Item 51.)

ARTICLE 19. Rent of Hall for VFW.
(No action necessary. Refer to Article 11, Item 54.)

ARTICLE 20. Rent of Hall for DAV.
(No action necessary. Refer to Article 11, Item 59.)

ARTICLE 21. Hydrant Maintenance.
(No action necessary. Refer to Article 11, Item 55.)

ARTICLE 22. Chlorination of Sunset Lake.
(No action necessary. Refer to Article 11, Item 56.)

Upon motion duly made by Mr. Arnold, it was

SO VOTED That Article 37 be considered in conjunction with Article 23.

ARTICLE 23. Establish Regional Incinerator Planning Committee.

ARTICLE 37. Sites for use for Refuse Disposal.

Mr. Arnold spoke on the subject matter of the Articles.

UNANIMOUSLY VOTED That the Town Moderator appoint an unpaid three (3) man committee to be known as the "Regional Incinerator Planning Committee" to study the advisability of creating a regional incinerator district with contiguous cities and/or towns and report at the next special or annual Town Meeting.

SO VOTED Indefinite postponement.

ARTICLE 24. Amend Town By-Laws, Article III-A, Information to Finance Committee.

That the Town vote to amend the Town By-Laws by inserting a new article after Article III as follows:

ARTICLE III-A - INFORMATION TO FINANCE COMMITTEE
Section 1. All boards, committees, heads of departments or other officers of the Town authorized by law to expend money shall furnish to the Finance Committee, not less than thirty (30) days before the end of the Town financial year, detailed estimates of the amounts necessary for the proper maintenance and operation of the departments under their jurisdiction for the ensuing year. And any appointed committee shall submit, to the Finance Committee, a copy of any report to come before the Town Meeting at least thirty (30) days before said meeting.

Discussion ensued involving Mr. Pinault and Mr. Page.

UNANIMOUSLY VOTED

ARTICLE 25. Amend Town By-Laws, Article VII-A, Inspector of Gas Piping and Gas Appliances.

UNANIMOUSLY VOTED That the Town vote to amend its By-Laws by adding a new article after Article VII as follows:

ARTICLE VII-A

Section 1. The Board of Health shall annually appoint an Inspector of Gas Piping and Gas Appliances whose duties shall be the enforcement of the rules and regulations under the provisions of General Laws, Chapter 25, Section 12H.

Section 2. Whenever practicable when the incumbent Plumbing Inspector is qualified he shall be appointed under Section 1 hereof.

ARTICLE 26. Amend By-Laws, Article VIII-A, Credit Union.

MOVED by Mr. LaTanzi:

The Treasurer shall deduct from the salary of any School Department employee of the Town, once a month from October through June each school year, such an amount as the employee in a written authorization to the Treasurer before October 1 may specify for deposit in the Braintree School Department Federal Credit Union.

Discussion ensued involving Mr. LaTanzi, Mr. Dooley, Mrs. Hedlund and Mr. Page.

MOVED the following substitute motion by Mr. Page:

Indefinite postponement.

Comes now the question on the substitute motion by Mr. Page.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 96 votes in the affirmative and 96 votes in the negative. Town Counsel Hunt ruled that the Moderator, as a duly qualified Town Meeting Member, had the legal right to cast his vote. The Moderator then declared his vote in the negative and ruled that on a vote of 96 votes in the affirmative and 97 votes in the negative the substitute motion by Mr. Page was LOST.

Comes now the question on the motion by Mr. LaTanzi.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 103 votes in the affirmative and 87 votes in the negative. There not being the necessary two-thirds vote in the affirmative the Moderator declared the motion by Mr. LaTanzi LOST.

Upon motion duly made by Mr. Arnold under Article 2, it was

UNANIMOUSLY VOTED That a Committee of five be appointed by the Moderator to study the problem of making deductions for the School Department Federal Credit Union by the Town Treasurer's Office.

ARTICLE 27. Amend By-Laws, Article VII, Section 3, Right of Burial.

UNANIMOUSLY VOTED That the By-Laws of the Town be amended by striking out Section 3 of Article VII and substituting therefor a new Section 3 as follows:

Deeds conveying the right of burial in any public cemetery in the town shall be recorded with the Town Clerk as provided in Section 51 of Chapter 550 of the Acts of 1948.

ARTICLE 28. Amend By-Laws, Article VII, Section 4, Cemeteries - Perpetual Care Fund.

UNANIMOUSLY VOTED That the By-Laws of the Town be amended by adding to Article VII a new section as follows:

Section 4. There is established under the control of the Trust Commission a fund to be known as "Cemeteries - Perpetual Care Fund" in which fund may be deposited any gift received and accepted by the Board of Selectmen or payments required by them, on the sale of cemetery lots, for perpetual care of certain lots, the income therefrom to be used for the perpetual care of said lots. All such gifts or payments shall be recorded on the Cemetery Lot Records of the Town Clerk.

ARTICLE 29. Gifts for Cemeteries - Perpetual Care Fund.

UNANIMOUSLY VOTED That the Town accept the following gifts and deposit the same in "Cemeteries - Perpetual Care Fund":

From the estate of Edna N. Bird	- \$500.00
From Arthur W. Harris	- 50.00

ARTICLE 30. Right to deposit in Cemeteries - Perpetual Care Fund.

UNANIMOUSLY VOTED That the Board of Selectmen be and hereby are directed to petition the courts for the right to deposit with "Cemeteries - Perpetual Care Fund" all sums now held by the Trust Commission in trust for the care of cemetery lots in public cemeteries.

ARTICLE 31. Land for future use for Cemetery purposes.

That the Town remove from the list of properties to be sold under the provisions of Town By-Laws, Article IV, Section 4 and place under the exclusive control of

the Board of Selectmen for future use for cemetery purposes, Plot 31 on Assessors' Plan 1047, said foreclosed tax title property being located on Jefferson St. between Jefferson St. and the westerly side of the Dyer Hill Cemetery.

Discussion ensued involving Mr. M. Pratt and Mr. Devin.

Comes now the question on the motion by Mr. Belcher.

SO VOTED

Upon motion duly made by Mr. M. Pratt under Article 2, it was

UNANIMOUSLY VOTED Be it resolved that it is the will of this meeting that no further lots be sold for burial in the Dyer Hill Cemetery but that the property be held by the Town of Braintree as an Historic site.

ARTICLE 2.

UNANIMOUSLY VOTED That this Town Meeting direct the Moderator to appoint a committee of five (at least one of whom shall be an attorney) to study the present procedures and governing statutes relating to so-called "legal advertising" and the present procedures and governing statutes relating to notifying all interested parties prior to hearings or actions by various Town bodies.

This committee shall be directed to report to the next Annual Town Meeting as to the effectiveness of present procedures insofar as they serve the function of reaching the greatest number of citizens and parties who would be affected by changes in the zoning laws, granting of permits and other actions of town bodies.

This committee shall be further directed to make recommendations for changes if warranted and to insert an article, or articles, in the next Warrant for the Annual Town Meeting if necessary to the carrying out of these recommendations.

ARTICLE 32. Committee to study the remodeling of Town Hall.

SO VOTED Indefinite postponement.

ARTICLE 33. Microfilming of Town records.

UNANIMOUSLY VOTED That there be raised and appropriated \$3,210.00 for the microfilming of original town records (1640 - 1961), to be expended as follows:

\$3,210.00

Town Clerk's Office	\$2,030.00
Assessor's Office	333.00
Engineer's Office	847.00

ARTICLE 34. Chapter 552, Acts of 1961, Minimum Benefits for Widows of certain Deceased Employees.

SO VOTED Indefinite postponement.

ARTICLE 35. Chapter 111, Acts of 1961, Increase in Pension for certain Municipal Employees.

SO VOTED Indefinite postponement.

ARTICLE 36. Chapter 223, Acts of 1957, Establish Conservation Commission.

MOVED by Mr. Page:

Indefinite postponement.

Mr. Bean spoke on the motion.

Under Article 2 Mr. Magaldi presented the following Report of the Committee appointed by the Moderator to study the advisability of appointing a Conservation Committee.

The Committee appointed by the Moderator following the 1961 Town Meeting to study and report on the question as to whether Braintree should provide for the appointment of a Conservation Commission or not, reports as follows:

The matter has been reviewed. Approximately half of the 28 communities in Norfolk County have Conservation Commissions. About one-third of the cities and towns of the Commonwealth have commissions. The Committee does not feel that it should recommend any action at this time because there are some pertinent questions to be answered. A meeting scheduled by the Chairman of this Committee with Mr. Thomas Flint and other officers of the Massachusetts Association of Conservation Commissions was unfortunately canceled due to Mr. Flint's illness. It is hoped that such a meeting can be rescheduled in the near future. Our study shows that there has been an overlapping of functions of conservation commissions, planning boards, forest committees, park commissions and other existing boards or commissions. We feel confident that these matters can and will be corrected. The Department of Natural Resources under the able leadership of Commissioner Foster and his Executive Assistant Robert Yasi are working diligently for the establishment of Conservation Commissions. We have attended some of the informative meetings which they have held, learning a great deal through this medium.

Our recommendation is that this or a similar committee continue to study this matter and report with recommendations be given to the next annual town meeting.

Respectfully submitted,

Joseph M. Magaldi, Chairman
Leslie R. Birnie
John J. Cusack

SO VOTED That the report of the Committee be accepted as a report of progress and that the Committee continue its deliberations.

Comes now the question on the motion by Mr. Page.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 26 votes in the affirmative and 141 votes in the negative. The Moderator declared the motion by Mr. Page LOST.

Discussion ensued involving several of the Town Meeting Members.

Upon motion duly made, it was

SO VOTED To recommit the subject matter of this Article to the Committee for further study.

(Recess from 9:37 P. M. to 9:50 P. M.)

ARTICLE 38. Amend Building Code, Fire Detection Alarm Systems.

SO VOTED That a committee of five (5) be appointed by the Moderator to study and prepare rules and regulations relative to the installation of fire detection alarm systems in dwellings. Included on said committee shall be representatives of the Fire Department, inspector of wires, and the Building Inspector. The Committee shall report to the next annual Town Meeting and submit to the Meeting for consideration any articles that may be necessary to require installation of detection alarms systems in new dwellings.

Mr. Magaldi, Chairman of the Planning Board, formally filed the report of the Planning Board with the Town Clerk, as required by the General Laws.

ARTICLE 39. Amend Zoning By-Law, Sec. IX, Par. 3, Zoning Board of Appeal members.

That the Zoning By-Law, Sec. IX, Para. 3, be amended by striking out the first part of the first sentence to the comma and inserting in its place the following phrase:

"There shall be a Board of Appeals of three members and two associate members appointed as provided in Section 14, of Chapter 40A, of General Laws."

Vote was taken and there being votes in the negative the Moderator ordered a teller count. Vote and count were taken and the tellers reported 169 votes in the affirmative and 1 vote in the negative. There being more than the required two-thirds vote in the affirmative the Moderator declared the motion by Mr. Magaldi

SO VOTED

ARTICLE 40. Amend Zoning By-Laws, Sec. III, Residence C District Uses.

That the Zoning By-Law be amended by adding to Sec. III entitled "Residence C District Uses" a paragraph 4 reading as follows:

4. Regulations governing apartments permitted in Line 2.

A. Permitted Uses

1. Multiple-family dwellings not exceeding twelve (12) units or apartments in a single building.

B. Building Height Limit

Three stories not exceeding thirty-five (35) feet.

C. Required Lot Area

No apartment dwelling shall be established on a lot having an area or width less than than specified for a one-family residence in C Districts or 15,000 square feet provided however, that each apartment dwelling shall be located on a lot having an area of not less than two thousand (2,000) square feet for each family housed therein but in no instance less than fifteen thousand (15,000) square feet.

D. Percentage of Lot Coverage

All buildings including accessory buildings shall not cover more than thirty (30) per cent of the area of the lot.

E. Yards Required

Yards of the following minimum depths shall be provided:

1. Front Yard - Twenty-five (25) feet or the height of the building if it exceeds 25 feet, to be used solely for landscaping.

2. Side Yards - each equal to the height of the building but not less than twenty-five (25) feet, one half of which, adjacent to the building, shall be used solely for landscaping.

3. Rear Yards - equal to the height of the building but not less than twenty-five (25) feet.

F. Required Court Dimensions

1. Inner Courts shall not be permitted.

2. Outer courts shall not have a width of less than fifty (50) feet or the average of the height of surrounding walls nor a depth greater than its own width.

G. Distance Between Buildings on the Same Plot

No principal building shall be closer to any other principal building than the average heights of said buildings.

H. Automobile Storage or Parking Space

In connection with every multiple-family dwelling there shall be provided automobile parking space, indoor or outdoor, of sufficient size to allow two parking spaces for each dwelling unit to be accommodated on the lot or tract.

I. Site Plan Approval

With each application for a permit for the construction of an apartment building, there shall be submitted three copies of a site plan for the proposed building or buildings, one of which shall be forwarded forthwith to the Planning Board for its review. Said site plan shall show all existing and proposed buildings or structures, driveways and roadways, facilities for sewage disposal, drainage and parking areas.

The Planning Board shall make its report to the Building Inspector within thirty (30) days and if it fails to do so, the Building Inspector may act on the application without such report and recommendation.

In addition to the data herein required on a site plan, there shall be submitted an architectural design showing the type of structure which will (1) form a compatible, harmonious community group, and (2) be suited to the capacity of existing and proposed community utilities and facilities; and such design must be consistent with any designs submitted to the Town as a basis for rezoning to permit the desired construction.

All site plans complying with the existing Zoning By-Law and which do not tend to impair the health, safety, convenience and welfare of the inhabitants of the Town in general shall be approved.

J. All apartments permitted in Residence C or Business Districts shall comply with all the regulations set forth in this section.

Lengthy discussion ensued involving several Town Meeting Members.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 166 votes in the affirmative and 3 votes in the negative. There being more than the required two-thirds vote in the affirmative the Moderator declared the motion by Mr. Magaldi

SO VOTED

ARTICLE 41. Amend Zoning By-Law, Sec. IV, Business District Use, M1 District.

SO VOTED Indefinite postponement.

ARTICLE 42. Amend Zoning By-Laws and Map, Industrial and Residence A to Residence M1.

SO VOTED Indefinite postponement.

ARTICLE 43. Amend Zoning By-Laws and Map, Residence A and Industrial to Business District Zone.

SO VOTED Indefinite postponement.

ARTICLE 44. Amend Zoning By-Laws and Map, Residence B to Residence M1.

That the Zoning By-Laws and the Zoning Map dated May 2, 1940, as most previously amended, be further amended to provide that an area of land located on the South Westerly side of Commercial Street adjacent to the Fore River Railroad shown as Plots 1, 1A, 2, 3 and 3A on Assessors' Plan No. 2079 be changed from Residence B to Residence C.

Lengthy discussion ensued involving several Town Meeting Members and citizens of the Town.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 26 votes in the affirmative and 141 votes in the negative. The Moderator then declared the motion by Mr. Magaldi LOST.

Upon motion duly made by Mr. Delory, it was

UNANIMOUSLY VOTED That the Annual Town Meeting be adjourned until 7:45 P. M., Wednesday, March 28, 1962.

TOWN OF BRAINTREE
ADJOURNED ANNUAL TOWN MEETING
SPECIAL TOWN MEETING
WEDNESDAY, MARCH 28, 1962

The Adjourned Annual Town Meeting and Special Town Meeting was called to order at 7:45 o'clock in the evening of Wednesday, March 28, 1962, by the Moderator, Mr. John J. Canavan.

There were 189 Town Meeting Members present.

The Moderator declared a quorum present.

Prayer for Divine Guidance was offered by Rev. Gale R. Williamson, Pastor of the East Braintree Methodist Church.

The following tellers were appointed by the Moderator to serve during the course of the evening:

Maurice R. Gurney
Charles M. Grady
Almeda Walker Cain
Richard Parsons

Linda W. Burdett
Richard J. Peterson
Carl Sakrison, Jr.
John Corbett

We now continue with consideration of the Articles in the Warrant.

ARTICLE 45. Amend Zoning By-Laws and Map, Residence B to Residence M1.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 46. Amend Zoning By-Laws and Map, Residence C to M1.

That the Zoning By-Laws and the Zoning Map dated May 2, 1940, as most previously amended, be further amended to provide that the present Residence C zone located on the Easterly side of Washington Street opposite the new Post Office be extended to the Old Colony right of way to include the presently zoned Residence B area be changed to C zone. The land involved is shown as Plots 1, 2, 3, 4, 4A, 4B and 5 on Assessors' Plan No. 2020 and Plot 43 and 43A as shown on Assessors' Plan No. 2021.

Lengthy discussion ensued involving several Town Meeting Members and representative of the apartment project.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 96 votes in the affirmative

and 78 votes in the negative. There not being the necessary two-thirds vote in the affirmative the Moderator declared the motion by Mr. Magaldi LOST.

MOVED by Mr. Cuff in compliance with Article II, Section 7, of the By-Laws:

Reconsideration of action taken under Article 40.

Discussion ensued involving Mrs. Davis, Mr. Magaldi and Mr. Page.

Comes now the question on the motion by Mr. Cuff.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 2 votes in the affirmative and 159 votes in the negative. The Moderator then declared the motion by Mr. Cuff LOST.

ARTICLE 2.

UNANIMOUSLY VOTED 1. RESOLVED that it is the sense and wish of this annual town meeting assembled in legal session Wednesday, March 28, 1962, that all the restrictions and requirements governing apartment building construction, as set forth in Article 40 of the warrant for this meeting, shall be made to apply to all apartment buildings constructed under the zoning by-law or any variance which may be granted by the Zoning Board of Appeals.

2. BE IT FURTHER RESOLVED that the Planning Board be and is hereby instructed to study and prepare a zoning by-law to be submitted to the next special or annual town meeting that would in effect accomplish the wishes of this Town Meeting to adopt a zoning by-law which would make applicable to any apartment construction in any district under this zoning by-law or by variance the requirements set forth in Article 40 of the 1962 Annual Town Meeting.

3. BE IT FURTHER RESOLVED that copies of this resolution be sent to the members of the Zoning Board of Appeals and the Building Inspector.

ARTICLE 47. Amend Zoning By-Laws and Map, Residence B and Residence C to Residence M1 District.

That the Zoning By-Laws and the Zoning Map dated May 2 1940, as most previously amended, be further amended to provide that a parcel of land shown as Plot Nos. 135 and 144 inclusive on Assessors' Plan No. 3050, located at the junction of Shaw, Hayward and Clover Streets, part of which is zoned Residence C and part Residence B be changed to all Residence C District, except that present Residence B zone on Shaw Street side of this parcel remain unchanged.

Lengthy discussion ensued involving several Town Meeting Members and citizens of the Town.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 14 votes in the affirmative

and 154 votes in the negative. The Moderator then declared the motion by Mr. Magaldi LOST.

ARTICLE 48. Amend Zoning By-Laws and Map, Residential B Zone to Business Zone.

Indefinite postponement.

Lengthy discussion ensued involving several Town Meeting Members and citizens of the Town.

The Moderator ordered a teller count. The Moderator excused Mr. John Corbett from acting as a teller and appointed Mr. A. Ross Malcolm in his place. Vote and count were taken and the tellers reported 52 votes in the affirmative and 120 votes in the negative. The Moderator then declared the motion by Mr. Magaldi LOST.

(Recess from 9:36 P. M. to 9:53 P. M.)

MOVED by Mr. Libertine:

To amend the Zoning By-Laws and the Zoning Map dated May 2, 1940, as most recently amended to provide that a parcel of land located at 485 Granite Street shown as Plot 5A on Assessors' Plan 2042 containing approximately 1 acre be changed from Residence B Zone to Business Zone.

Discussion ensued involving Mr. Libertine, Town Counsel Hunt, Mr. Page of the Finance Committee and Mr. J. Page.

Comes now the question on the motion by Mr. Libertine.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 114 votes in the affirmative and 46 votes in the negative. There being more than the required two-thirds vote in the affirmative the Moderator declared the motion by Mr. Libertine

SO VOTED

ARTICLE 49. Amend Zoning By-Laws and Map, Residential B Zone to Business Zone.

SO VOTED Indefinite postponement.

At Mr. Magaldi's request, and there being no objection, Article 1 of the Special Town Meeting was taken for consideration at this time.

ARTICLE 1 (STM). Amend Zoning By-Laws and Map, extension of Industrial District.

That the Zoning By-Law and the Zoning Map dated May 2, 1940, as most recently amended, be further amended to provide that the present Industrial District northwest of New Route 128 be extended to include the tract of land now zoned Residential A on the westerly side of Granite Street lying between Granite Street, new Route 128, and the Quincy boundary line.

Discussion ensued involving Mr. Magaldi and Mr. Page.

UNANIMOUSLY VOTED

ARTICLE 50. Laying and relaying of Water Mains.

That there be appropriated the sum of \$29,456.42 for the laying and relaying of Water Mains of not less than six inches in diameter under the direction of the Water Commissioners and that to meet said appropriation the unexpended balance as follows: \$5,418.21 from the 1958 Appropriation for the Constructing Standpipe Penn's Hill under Article 49 of the Warrant for the Annual Town Meeting of 1958; \$780.71 from the 1957 Appropriation for Well Equipment under Article 36 of the Warrant for the Annual Town Meeting of 1957; \$1,894.33 from the 1957 Appropriation for Well Pump Station under Article 37 of the Warrant for the Annual Town Meeting of 1957, be transferred to said Account and the sum of \$21,363.17 be taken from the Water Revenue of the year 1962. \$29,456.42

Discussion ensued involving Mr. T. Matthews and Mr. Page.

SO VOTED

Upon motion duly made by Mr. Laing, it was

SO VOTED To take Article 6 from the table.

ARTICLE 6. General Increases under Salary Administration Plan.

UNANIMOUSLY VOTED That the sum of \$58,031.03 be raised and appropriated for general salary increases for employees coming under the Salary Administration Plan. 58,031.03

Of this total, the sum of \$6,592.19 be appropriated from Water Department receipts and the balance \$51,438.84 to be raised in the tax levy, the total amount to be allocated as follows, in each instance for a 39 week period:

Tax Collector	\$ 171.42
Treasurer's Office	298.74
Veterans' Services	334.25
Town Clerk, including	
Registrars' Clerk	418.66
Extra Clerical	
Town Accountant	471.75
Assessors' Office	653.25
Selectmen's Office	765.35
Health Department	874.62
Engineering Department	959.25
Sewer Department	2,692.29
Park Department	1,583.96
Library Department	3,998.33
Water Department	6,592.19
Highway Department	8,890.39
Police Department	14,550.92
Fire Department -	
(Including Fire Alarm)	14,775.66

ARTICLE 2.

Under Article 2 Mr. Garber presented the following Progress Report of the Monatiquot School Building Committee.

Following appropriation of the necessary funds by the October, 1961, Special Town Meeting, subsequent confirmation of previously granted tentative approval by the Massachusetts School Building Assistance Commission and Emergency Finance Board, and investigation of the two lowest bidders, a contract for alterations and an Addition to the Monatiquot School Annex was awarded to the low bidder, C. V. Bianchi & Sons, on November 9, 1961.

Work was started promptly and underground concrete completed before severe freezing weather. Work has progressed satisfactorily during the winter and is on schedule. Nothing foreseeable should prevent completion by school opening this year.

Costs are in line with the estimates of our Initial Report.

As explained in our Initial Report, accepted by the October, 1961, Special Town Meeting, demolition of the Old Building was not to be done until erection of the new Addition. Funds for the demolition were not requested at that time but were to be requested at the 1962 Annual Town Meeting.

As the Old Building is no longer in use because of failure of one of the old boilers, demolition and resurfacing of the site for a play area is planned this summer in time for school opening this fall.

Estimated costs based on firm bids now in hand are:

Contract Price - Demolition	\$2,700.	
- Site Resurfacing	<u>3,374.</u>	\$6,074.00
Architect's Fee		485.92
Advertising for Bids		126.86
Extra Blueprints		56.12
Contingencies		757.10
		<u>\$7,500.00</u>

These costs, somewhat less than our Initial Report estimate, allow retention by the School Department of considerable valuable and useful fixtures and equipment.

Your committee recommends appropriation of the necessary funds to demolish the Old Monatiquot School Building and resurface the site.

Respectfully submitted,
John R. Garber, Chairman
Gustav Rook, Secretary
George Brackett
Robert M. Burdett
Ernest D. Frawley

UNANIMOUSLY VOTED That the report be accepted as a report of progress and the Committee continue its deliberations.

Upon motion duly made by Mr. Burdett, it was

SO VOTED To consider Article 89 at this time.

ARTICLE 89. Old Monatiquot School Building

UNANIMOUSLY VOTED That there be raised and appropriated the sum of \$7,500.00 to be expended under the direction of the Monatiquot School Building Committee for the purpose of demolishing the old Monatiquot School Building, filling in the excavation and paving. \$ 7,500.00

ARTICLE 51. Construction of Lateral Sewers.

That there be raised and appropriated the sum of \$350,000.00 for the construction of additional sewers for sanitary purposes under the direction of the Sewer Commissioners and that to meet said appropriation the sum of \$73,801.02 be taken from Sewer Receipts reserved for appropriation and \$26,198.98 be raised in the tax levy and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$250,000.00 and to issue bonds or notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than 20 years from the date of issue of first bond or note or at such earlier time as the Treasurer and Selectmen may determine. 350,000.00

Discussion ensued involving Mr. Dyer, Miss Bates and Mr. Tinson.

MOVED the following amendment by Mr. Tinson:

That there be raised and appropriated the sum of \$500,000.00 for the construction of additional sewers for sanitary purposes under the direction of the Sewer Commissioners and that to meet said appropriation the sum of \$73,801.02 be taken from Sewer Receipts reserved for appropriation and \$176,198.98 be raised in the tax levy and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$250,000.00 and to issue bonds or notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than 20 years from the date of issue of first bond or note or at such earlier time as the Treasurer and Selectmen may determine.

Further discussion ensued involving Mr. Dyer, Mr. Page, Mr. Arnold, Mr. Anderson, Miss Bates, Mr. Morton, and Mr. White.

Comes now the question on the amendment by Mr. Tinson.

Vote was taken and the Moderator declared the amendment by Mr. Tinson LOST.

Comes now the question on the motion by Mr. Page.

UNANIMOUSLY VOTED

Upon motion duly made by Mr. Delory, it was

UNANIMOUSLY VOTED That the Annual and Special Town Meeting be adjourned until 7:45 P. M., Monday, April 2, 1962.

TOWN OF BRAINTREE
ADJOURNED ANNUAL AND SPECIAL TOWN MEETING
MONDAY, APRIL 2, 1962

The Adjourned Annual and Special Town Meeting was called to order at 7:50 o'clock in the evening of Monday, April 2, 1962, by the Moderator, Mr. John J. Canavan.

There were 183 Town Meeting Members present.

Prayer for Divine Guidance was offered by Rev. Francis C. Anderson, Pastor of All Souls Episcopal Church, Braintree.

Under Article 2, Mr. Hunt, Town Counsel, offered the following resolution.

BE IT RESOLVED, That the TOWN OF BRAINTREE acting through this meeting record its sense of deep and irreparable loss suffered in the passing on March 29, 1962, of E. CURTISS MOWER.

Mr. Mower was born in Burlington, Vermont, on August 2, 1901, the son of a Judge in the local Court. He was brought up in that city and graduated from the University of Vermont in 1923 and from Harvard Law School in 1926. Thereafter, as a young man, he settled in Braintree and has been a vital force in our community since that time.

Mr. Mower has served his community over a period of many years, most notably as Advisor and most recently as Chairman of the Selective Service Board, as Chairman of our Finance Committee in 1945-46 and as Moderator from 1948 to 1962. He served the Town with zeal, ability, courtesy and a dedication to its interest and the principles of Democracy under which it exists. In his chosen profession as a lawyer he added lustre to the fine name of the firm with which he was associated as an active partner. In his relations with his friends, neighbors and fellow-citizens he was ever a courteous, kindly gentleman, endowed with an intelligence and a sense of humor that endeared him to all.

To his wife, Edna, his son, Robert, and his daughter, Cynthia, the Town extends its deepest sympathy as it shares their loss. He was by his excellent example in his Public and private life left a deep and lasting impression upon the Town in which we live.

AND, BE IT FURTHER RESOLVED, That these Resolutions be spread upon the records of this meeting and copies thereof be forwarded to his widow and his two children in token of our sympathy for their loss.

UNANIMOUSLY ADOPTED, Town of Braintree, Annual Meeting, April 2, 1962.

Upon motion duly made by Mr. Page the Town Meeting Members unanimously signified their adoption of a resolution by standing and remained standing for a moment of silent prayer in tribute to the memory of E. Curtiss Mower.

The following tellers were appointed by the Moderator to serve during the course of the evening:

Harvey Lyons
Robert Mitchell
Raymond Bean
Ruth Shuster

Bruce Lyons
Natalie Stovall
Clyde Morrison
Robert Barrett

We now continue with consideration of the Articles in the Warrant.

ARTICLE 52. Construction of Main Trunk Sewers.

That there be raised and appropriated the sum of \$150,000.00 to be expended by the Board of Sewer Commissioners for the construction of main trunk sewers for sanitary purposes; that to meet said appropriation the Treasurer, with the approval of the Selectmen, be, and hereby is, authorized to borrow the sum of \$150,000.00 and to issue bonds or notes of the Town therefor, payable in accordance with the provisions of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than 10 years from the date of issue of the first bond or note, or at such earlier time as the Treasurer and Selectmen may determine; and that the Board of Sewer Commissioners is authorized to apply for, accept and use any federal aid which may be available for the purposes of this vote.

Discussion ensued involving Mr. Dyer, Mr. Page, Mr. Anderson and Mr. Laing.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 76 votes in the affirmative and 91 in the negative. The Moderator then declared the motion by Mr. Stewart LOST.

ARTICLE 2.

Under Article 2 Mrs. Davis presented the following report of the Vocational School Study Committee.

The organizational meeting of the Vocational School Study committee was held on October 30, 1961, at the offices of the Braintree School Department at 9:30 P. M. (Following a special town meeting). The meeting was opened with Robert J. Barrett as temporary presiding officer.

Present were Messrs. Robert J. Barrett, Roger J. Leonard, Charles C. Parker, and Lewis B. Morton, Jr. and Mrs. Virginia Mackie Davis of the Committee and Mr. Argio LaTanzi.

On motion duly made and seconded Robert J. Barrett was nominated as chairman of the committee and Virginia Mackie Davis was nominated as secretary.

On Ballot Robert J. Barrett and Virginia Mackie Davis were elected to fill their respective positions.

A general discussion followed.

Arrangements were made to have the members attend an area or regional meeting at Canton High School on November 6, 1961, at 8:00 P. M. for a general discussion of this problem.

Voted to adjourn at 10:40 P. M.

Respectfully submitted,
Virginia Mackie Davis, Secretary

Canton High School - November 6, 1961.

Representatives of our committee and Mr. John Paltsitis and Mr. Arigo LaTanzi attended the regional meeting. Mr. John Morine, Supervisor of Occupational Information and Vocational Guidance went through the Southeastern Central Regional Vocational-Technical School survey (copy of which is attached) and explained the conclusions.

A question and answer period regarding local problems followed.

The various committees were surveyed as to their nature and makeup. Avon and Canton had formal committees while Braintree, like others, were of an explorative nature so as to bring back information to their town meetings.

We feel that there is definite merit in a proposed regional vocational school and it should be explored further by a formal committee which complies with the statutory requirements.

We, accordingly, recommend that the town meeting vote to have a committee of three, including one member of the school committee, appointed by the moderator to be known as the Regional School District Planning Committee to carry out the provisions of G. L. C. 71, p. 14 (see page 76 of the attached survey).

Respectfully submitted,
Robert J. Barrett, Chairman
Virginia Mackie Davis, Sec.
Roger J. Leonard
Charles C. Parker
Lewis B. Morton, Jr., as they
constitute the Vocational School
Study Committee

UNANIMOUSLY VOTED That the Town accept the report of the Vocational School Study Committee with thanks and that the Study Committee be discharged.

ARTICLE 53. Extension of Granite Street Sewer.

That there be raised and appropriated the sum of \$135,000.00 to be expended under the direction of the Board of Sewer Commissioners for the construction of an extension to the Granite Street sanitary sewer to serve industrial and business property on the northerly side of the Expressway and that to meet said appropriation the sum of \$35,000.00 be raised in the 1962 tax levy and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$100,000.00 and to issue bonds or notes of the

Town therefore payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than 5 years from the date of issue of the first bond or note or at such earlier time as the Treasurer and Selectmen may determine; however, no work shall start beyond the property immediately adjacent on the westerly side of the intersection of Granite Street and the Expressway unless or until the Board of Sewer Commissioners shall receive assurance adequate in their judgement that the sewer lines will be completed on private property to the points of connection with the town's sanitary sewer line as laid out by the Board of Sewer Commissioners and the Town's work will be scheduled, at the discretion of the Sewer Commissioners, so as to neither precede nor delay the industrial concern's connection to the Town's sanitary sewer.

Discussion ensued involving Mr. Dyer, Mr. Brooks, Mr. Page and Miss Bates.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 169 votes in the affirmative and 2 votes in the negative. The Moderator then declared the motion by Mr. Page

SO VOTED

ARTICLE 54. Assessment for construction of sewers.

That, in accordance with the provisions of General Laws, Chapter 83, Section 15A, the uniform rate to be charged to abutters, not already assessed, for the construction of sewers shall be as follows:

Assessments shall be made upon owners of the land according to the frontage of such land on any way in which a sewer is constructed at the rate of \$2.50 per linear foot of such frontage and according to the area of such land, within a fixed depth of 100 feet from such way, at the rate of \$0.025 per square foot of such area.

Discussion ensued involving Mr. Dyer, Miss Bates, Mr. Libertine, Mr. Anderson and Mr. Stenberg.

Vote was taken and the Moderator declared the motion by Mr. Page LOST.

ARTICLE 55. Construction of sewers on Alden, Court and Cranmore Roads.

UNANIMOUSLY VOTED Indefinite Postponement

ARTICLE 56. Athletic field lower section Hollingsworth Park.

UNANIMOUSLY VOTED Indefinite Postponement

ARTICLE 57. Regional Vocational School District Planning Committee.

UNANIMOUSLY VOTED That a special unpaid committee be formed, to be known as the Regional Vocational School District Planning Committee, to consist of three members, including one member of the School Committee, all to be appointed by the Moderator, which committee may join with a comparable committee or committees, from one or more neighboring Towns and/or City, to form a Regional Vocational School District Planning Board for the purpose of studying the advisability of establishing a Regional Vocational School District, and making recommendations, relative thereto, pursuant to Chapter 71, of the General Laws, Section 14 to 161 inclusive.

ARTICLE 58. Sidewalks north side of Hillside Road.

UNANIMOUSLY VOTED That there be raised and appropriated \$1,123.00 to be expended under the direction of the Highway Superintendent to complete the construction of sidewalks on the north side of Hillside Road and that betterments to the extent of 50% of the cost be assessed on the abutting estates. \$1,123.00

ARTICLE 59. Non-school use of School Buildings.

UNANIMOUSLY VOTED Indefinite Postponement

ARTICLE 2.

Under Article 2 Mr. Hunt presented the following report of the Flood Control Committee.

At the 1960 Town Meeting, you appropriated the sum of \$15,000 for the purpose of installing a pipe through the New Haven Railroad embankment at Weymouth Landing. This being a joint project with the Town of Weymouth, they appropriated a like amount in 1961.

Following Weymouth's action, a meeting was held with the personnel of the Division of Waterways of the Department of Public Works and the Weymouth Committee to discuss course of action.

After a further study by the Division of Waterways, it was felt that a more adequate solution for the problem would be construction of a culvert which would not be affected by tides, and which would also fit in with any future improvement of the drainage system in this area. The cost of the project will be Seventy-Five Thousand Dollars (\$75,000.) including engineering fees. One-half of the cost will be borne by the Division of Waterways and 25 percent each by Braintree and Weymouth. Braintree's total cost will be Eighteen Thousand Seven Hundred and Fifty Dollars (\$18,750.). Since we have available \$15,000. from the previous appropriation, it will be necessary to raise and appropriate only an additional Three Thousand Seven Hundred and Fifty Dollars (\$3,750.). Weymouth has already raised the matching amount at this year's Town Meeting.

Inadvertently, the question of indemnifying of the Commonwealth in connection with this project was left out of

previous article, and this action is required under the law before the Division of Waterways can proceed.

On the basis of favorable action on Articles #60 and #62 similar action having already been taken by Weymouth, it is anticipated that this project can be completed in 1962.

Under Article #61, we are asking for an appropriation of Two Thousand One Hundred and Twenty-Five Dollars (\$2,125.) for the purpose of alleviating a bad silt condition at the Smelt Brook outlet impeding the flow of water at this point. The total cost of this project is \$17,000., of which seventy-five per cent (75%) will be borne by the Division of Waterways and Twelve and one-half per cent (12-1/2%) each by Braintree and Weymouth.

The Monatiquot River situation remains unchanged, and eventually we must face the problem of appropriating considerable sums of money for works of improvement. In the meantime, Representative Herbert B. Hollis has introduced a bill calling for Dredging of the Monatiquot between Union Street to River to Alleviate a bad condition caused by the construction of the Southeast Expressway.

Respectfully submitted,
W. B. Strathdee, Chairman
Joseph D. Guertin, Secretary
John Chelluk
John Q. Wentworth
Harold C. Pearl
Richard A. Hunt

UNANIMOUSLY VOTED That the report be accepted and the Committee discharged.

ARTICLE 60. Flood Control Smelt Brook and Monatiquot River.

UNANIMOUSLY VOTED That there be raised and appropriated the sum of \$3,750.00 for Flood Control projects in the Smelt Brook and/or the Monatiquot River watersheds, which sum together with the \$15,000 previously voted for this project will complete the Town of Braintree's share of this project, this money to be expended under the direction of the Selectmen.

\$3,750.00

ARTICLE 61. Removal of silt Smelt Brook and Weymouth Fore River.

UNANIMOUSLY VOTED That there be raised and appropriated the sum of \$2,125.00 for the removal of silt at the confluence of Smelt Brook and Weymouth Fore River, this sum being equal to that share of the cost of the project shared by the Town of Weymouth, and to be expended under the direction of the Selectmen.

2,125.00

ARTICLE 62. Indemnity Agreement, Flood Control and Silt Removal.

UNANIMOUSLY VOTED That the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5,

Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tide-waters, foreshores and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 63. Tax Title land for Airport.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 64. Purchase of land for Airport.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 65. South Shore Mosquito Control Project.

(No action necessary. Refer to Article 11, Item 58.)

ARTICLE 66. Insect Pest Control.

(No action necessary. Refer to Article 11, Item 27.)

ARTICLE 67. Dutch Elm Disease.

(No action necessary. Refer to Article 11, Item 27.)

ARTICLE 68. Repairs on private ways without liability for damages.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 69. Constructing private ways.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 70. Improvements on Court and Cranmore Roads.

UNANIMOUSLY VOTED That there be transferred from \$2,000.00 from available funds the sum of \$2,000.00 now in the town treasury, the result of court judgment, on the sub-division Bond, for Highway Drainage and Water Department improvements on Court and Cranmore Roads to be expended as follows: \$1,800.00 for Highway Department, \$200.00 for Water Department Reserve.

ARTICLE 71. Accept Ivory Street as Town Way.

MOVED by Mr. Page:

Indefinite Postponement.

MOVED by Mr. Klay:

That the Town vote to accept as and for a Town Way Ivory Street, so-called, from Union Street to Pearl Street,

as laid out by the Selectmen, as shown on Plan by John J. Drinkwater, Town Engineer, dated December, 1952, and appropriate the sum of \$32,000.00 for the improvement of same.

Comes now the question on the motion by Mr. Page.

Vote was taken and the Moderator declared the motion by Mr. Page LOST.

Discussion ensued involving Mr. Klay, Fire Chief Sears, Mr. Page, Mr. Young, Selectman Smiley and Mr. Withington.

Comes now the question on the motion by Mr. Klay.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 39 votes in the affirmative and 132 votes in the negative. The Moderator then declared the motion by Mr. Klay LOST.

ARTICLE 72. Acceptance of Streets as Town Ways.

UNANIMOUSLY VOTED That the Town accept as and for a Town Way the following streets as laid out by the Selectmen: Court Road, Cranmore Road, Holmes Street, Loretta Avenue, Roberts Street, Cameo Road, Emerald Avenue.

Upon motion duly made by Mr. Belcher, it was

UNANIMOUSLY VOTED To consider Article 2 of the Special Town Meeting at this time.

ARTICLE 2 (STM). Sale of Land to A & A, Inc.

That the Town Selectmen sell to A and A, Incorporated, Plot Number 35 on Assessors' Plan Number 1046 for the sum of \$4,000.00; with the following covenant, "That the plot be landscaped and no building or buildings nor any sign or signs be allowed thereon".

Discussion ensued involving Mr. Page and Mr. Belcher.

MOVED the following amendment by Mr. Belcher:

That the Selectmen are authorized and directed to sell to A & A Corp. of Braintree for a sum of Eight Hundred Dollars (\$800.) a parcel of land described as follows - The Northerly portion of Plot No. 35 on Assessors' Plan No. 1046 bounding eighty feet (80) on Hancock Street and eighty feet (80) on land of the Old Colony Railroad from the northerly point of said plot.

Comes now the question on the amendment by Mr. Belcher.

Vote was taken and the Moderator being in doubt a teller count was ordered. Vote and count were taken and the tellers reported 103 votes in the affirmative and 53 votes in the negative. The Moderator then declared the amendment by Mr. Belcher

SO VOTED

Comes now the question on the motion by Mr. Page as thus amended.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 103 votes in the affirmative and 53 votes in the negative. There not being the required two-thirds vote in the affirmative the Moderator declared the motion by Mr. Page as thus amended LOST.

(Recess from 9:35 P. M. to 9:45 P. M.)

Upon motion by Mr. Magaldi, in compliance with Article II, Section 7, of the By-Laws, it was

UNANIMOUSLY VOTED Reconsideration of the action taken under Article 2 of the Special Town Meeting

ARTICLE 2 (STM). Sale of Land to A & A, Inc.

That the Town Selectmen are authorized and directed to sell to A & A Corp. of Braintree for a sum of Eight Hundred Dollars (\$800.) a parcel of land described as follows - The northerly portion of Plot No. 35 on Assessors' Plan No. 1046 bounding eighty feet (80) on Hancock Street and eighty feet (80) on land of the Old Colony Railroad from the northerly point of said plot with the following covenant, "That the plot be landscaped and no building or buildings nor any sign or signs be allowed thereon."

Discussion ensued involving Mr. Magaldi and Mrs. Burdett.

Comes now the question on the motion by Mr. Magaldi.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 141 votes in the affirmative and 20 votes in the negative. The Moderator then declared the motion by Mr. Magaldi

SO VOTED

ARTICLE 73. Acceptance of Court Road as Town Way.

(No action necessary. Refer to Article 72.)

ARTICLE 74. Acceptance of Massachusetts Avenue as Town Way.

That the Town accept as and for a Town Way, Massachusetts Avenue, so-called, as laid out by the Selectmen, between Arbutus Avenue and Brewster Avenue, and raise and appropriate the sum of \$10,926.00, to be expended under the direction of the Highway Superintendant for improvement of same with betterment assessments to the extent of sixty-six and two-thirds per cent of the actual cost on abutting estates. \$10,926.00

Discussion ensued involving Mr. Wilder and Mr. Page.

UNANIMOUSLY VOTED

ARTICLE 75. Acceptance of Selwyn Road as Town Way.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 76. Acceptance of Reed Hill Road as Town Way.

UNANIMOUSLY VOTED Indefinite postponement.

ARTICLE 77. Acceptance of Winthrop Avenue as Town Way.

Indefinite postponement.

Discussion ensued involving Mr. Ross, Mr. Page and Mr. Stanley.

Comes now the question on the motion by Mr. Page.

Vote was taken and the Moderator declared the motion by Mr. Page LOST.

MOVED by Mr. Stanley:

That the Town accept as and for a Town Way, Winthrop Avenue, so-called, from Washington Street to Arbutus Avenue as laid out by the Selectmen, and appropriate the sum of \$11,260.00 and betterment assessments to the extent of 66-2/3 per cent of actual cost for the improvement of the same.

Discussion ensued involving Mr. Stanley, Mr. Page, Mr. Smiley and Mr. Pinault.

MOVED by Mr. Page the following amendment to the motion by Mr. Stanley:

That the sum of \$11,260.00 to be raised and appropriated be increased to the sum of \$11,652.00. \$11,652.00

SO VOTED

Comes now the question on the motion by Mr. Stanley as thus amended.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 137 votes in the affirmative and 17 votes in the negative. The Moderator then declared the motion by Mr. Stanley as thus amended

SO VOTED

ARTICLE 78. Acceptance of Forest Street as Town Way.

UNANIMOUSLY VOTED That the Town accept as and for a town way, Forest Street, so-called, as laid out by the Selectmen, from Birch Street to Liberty Street, and that there be raised and appropriated the sum of \$14,915.00 for the improvement of the same and betterments to the extent of sixty-six and two-thirds per cent of the cost to be assessed on abutting estates and further that there be raised and appropriated the sum of \$1,850.00 for a sidewalk on one side of 16,767.00

same, and that betterments to the extent of fifty per cent of the cost be assessed on abutting estates, the total sum of \$16,767.00 to be expended under the direction of the Highway Superintendent.

ARTICLE 79. Acceptance of Townsend Avenue as Town Way.

UNANIMOUSLY VOTED Indefinite postponement.

Veterans' Services	\$ 198.90
Fire Dept., Expenses	3,044.37
Non-Contributory Retirement	151.44

ARTICLE 2.

Upon motion duly made by Mr. Hollis under Article 2, the following resolution was

UNANIMOUSLY VOTED As we conclude the work of the 1962 Town Meeting, we, the Town Meeting Members, pause briefly to express our deep gratitude to our new Moderator, John J. Canavan.

Although in office only a month, he has set a proper tone of decency, fairness and courage and has conducted each session with the proper understanding we have come to expect. In gratitude we thank our Moderator for these many attributes.

We also express our thanks to Mr. Page and the Finance Committee and to Mr. Magaldi and the Planning Board for their tireless efforts in our behalf. We also are grateful to Mr. Johnson, our Town Clerk, for the accurate recording of our doings.

We are also grateful to our news media, Radio Station WJDA, the Quincy Patriot Ledger and the Observer, for proper and constructive reporting. I move for the adoption of these sentiments.

Upon motion duly made by Mr. Delory, it was

UNANIMOUSLY VOTED That the Annual and Special Town Meetings stand adjourned.

TOWN OF BRAINTREE SPECIAL TOWN MEETING MONDAY, OCTOBER 1, 1962

Pursuant to a Warrant duly issued, the Special Town Meeting of the inhabitants of the Town of Braintree, represented by their duly elected and qualified Town Meeting Members, was held in the Braintree Town Hall on Monday, October 1, 1962.

The meeting was called to order at 7:55 o'clock in the evening by the Moderator, Mr. John J. Canavan.

There were 150 Town Meeting Members present.

The Moderator declared a quorum present.

The following tellers were appointed by the Moderator to serve during the course of the evening:

James P. McCue
Natalie H. Stovold
William F. Baker
Marjorie L. Crispin

Ruth W. Shuster
Richard G. Parsons
Herbert B. Hollis
Robert White

Upon motion duly made by Mr. Hollis the following Memorial was

UNANIMOUSLY VOTED

MEMORIAL TO HENRY DAVIS HIGGINS

After a long eighty-nine years of fruitful life filled with civic and other accomplishments Henry Davis Higgins was called to his eternal rest on September 4, 1962.

Mr. Higgins served on the Braintree School Committee for fifteen years from 1925-1940 and was its Chairman for six years from 1931-1937. He served as Chairman of the High School Building Committee, which building was dedicated in 1927. Later he served three terms as a Selectman from 1938-1947. For two terms, from 1943-1947, he represented the Third Norfolk District of which Braintree is a part, in the Massachusetts Legislature. He served as Director of the Braintree Cooperative Bank for forty-one years from 1921 until the time of his passing. The last seven years he was its President. He was also a Corporator of the Braintree Savings Bank for forty-five years, or since January, 1917.

Because of his unselfish service to Braintree in the many capacities in which he participated; because of his fine sense of fairness to all; because of his excellent administrative qualities and the keen mind which directed him to these many accomplishments we, the Town Meeting Members duly assembled to conduct the affairs of a special Town Meeting on October 1, 1962, pause in our deliberations to express our sincere regrets at the passing of Mr. Higgins and to give grateful thanks to him for the distinguished service he so willingly gave to our community during the many years he served in the variety of offices which he held.

It is the wish of this meeting that these sentiments be placed in the records of this meeting and that a copy of them be sent to Mr. Higgins' daughter, Mrs. Barbara Ela of Marshfield.

Upon motion duly made by Mr. Hollis the following Memorial was

UNANIMOUSLY VOTED

MEMORIAL TO ERNEST CHOATE WOODSUM

On Friday, September 28, 1962, Ernest C. Woodsum, Town Clerk of Braintree from March 3, 1930 until March 14, 1955, peacefully passed away after a long illness at his home in West Harwich in his 74th year.

"Ernie", as his legion of friends affectionately called him, was an excellent example of a conscientious, impartial public servant of our Town. His many kindnesses, sympathetic understanding and helpfulness endeared him to his fellow citizens and all others with whom he came in contact over his twenty-five year span as our Town Clerk. He was respected by all who knew him.

We, the Town Meeting Members of the Town of Braintree duly assembled to conduct the business of a Special Town Meeting on Monday, October 1, 1962, pause in our deliberations to express our sincere regrets at the passing of Mr. Woodsum, and to give our thanks for the wonderful service he gave our Town during the many years he occupied the position of Town Clerk.

It is the wish of this meeting that these sentiments be placed on the records of this meeting and that a copy of them be sent to Mrs. Almira Woodsum at West Harwich.

The meeting stood for a moment of silent prayer in memory of these two former Town Officials and three Town Meeting Members who have passed away since the last Town Meeting.

We now continue with consideration of the Articles in the Warrant.

ARTICLE 1. Purchase of land for Electric Light Department.

That the Board of Electric Light Commissioners be authorized to negotiate for and purchase in the name of the Town of Braintree for the use of said Light Department a certain parcel of land on Plain Street owned by the Armstrong Cork Company and bounded and described as follows:

Beginning at a point in the northerly line of said Plain Street at the southwesterly corner of the premises now in use for a Substation of said Municipal Light Board;

thence running in a general westerly direction by said Plain Street fifty (50) feet;

thence turning at right angles and running by other land of the Lessor in a northerly direction three hundred and twenty-two (322) feet to the Lessor's property line;

thence turning and running in a southeasterly direction by said Lessor's property line two hundred eighty-two (282) feet to the so-called Mansfield property;

thence turning and running in a westerly direction by said Mansfield property one hundred eighteen (118) feet and by said Substation fifty (50) feet;

thence turning and running southerly by said Substation property one hundred fifty-four (154) feet to the point of beginning.

All as shown on a plan entitled "Braintree Electric Light Department additional area for Station" dated April 24, 1962.

And that there be appropriated from the Depreciation Account of the Light Department the sum of One thousand two hundred and fifty (\$1250.00) Dollars for said purchase. \$ 1,250.00A

Discussion ensued involving Mr. Spurrell, Mr. Laing, Mr. Shannon, Mr. Withington, Mr. Stadtfeld, Mr. Klay, Mr. McConnell, Mr. Young and Miss Bates.

Comes now the question on the motion by Mr. McConnell.

The Moderator ordered a teller count. Vote and count were taken and the tellers reported 133 votes in the affirmative and 6 votes in the negative. The Moderator then declared the motion by Mr. McConnell

SO VOTED

ARTICLE 2. Sale of land to East Braintree Methodist Church.

That the Selectmen be authorized and directed to sell to the East Braintree Methodist Church under authority of Chapter 449 of the Acts of 1962 for the sum of One (\$1.00) Dollar a certain parcel of park land bounded and described as follows:

Beginning at the northwesterly corner of Faxon Park at land of the East Braintree Methodist Church; thence running in a general easterly direction by said church land and other owner to the easterly bound of said park; thence by said easterly bound in a southerly direction forty feet; thence running westerly by a line parallel to and forty feet from the first mentioned bound to Faxon Street; thence running northerly on Faxon Street to the point of beginning. Being a strip of land forty feet wide at the northerly end of said park.

Such conveyance, however, is to be made only upon the following conditions:

1. No building or structure shall be erected thereon.
2. The Public shall have at all times a right of access over said parcel to said Park.
3. Title to said parcel shall revert to the Town at any time when the Grantee shall sell or convey its adjacent church property for any other purposes than use for a church.

Mr. McConnell explained the purpose of the motion.

Comes now the question on the motion by Mr. McConnell.

UNANIMOUSLY VOTED

ARTICLE 3. Purchase of land adjoining Adams Playground for Park purposes.

Indefinite postponement.

Mr. McConnell explained the purpose of the motion.

UNANIMOUSLY VOTED

ARTICLE 4. Appropriation to be expended by Board of Sewer Commissioners for House Connections.

To appropriate and transfer from available funds the sum of \$16,000.00 to be expended by the Board of Sewer Commissioners for house connections in addition to any appropriations heretofore made. \$16,000.00B

Mr. McConnell explained the purpose of the motion.

UNANIMOUSLY VOTED

ARTICLE 5. Appropriation for Salary of Veterans' Agent.

To raise and transfer from available funds the sum of
One Hundred (\$100.00) Dollars for salary of the Veterans' \$ 100.00B
Agent in addition to the amounts appropriated therefor at the
1962 Annual Town Meeting.

Mr. McConnell explained the purpose of the motion.

UNANIMOUSLY VOTED

ARTICLE 6. Purchase of land, Plot No. 3 on Assessors'
Plan No. 2023, for School purposes.

To authorize and direct the Selectmen to purchase or
take by eminent domain for school purposes a lot shown as
Plot No. 3 on Assessors' Plan No. 2023 (Known as the
Higgins property) at Washington Street and the entrance to
the Hollis building and that there be appropriated for said
purpose and transferred from available funds the sum of
Eleven Thousand Three Hundred (\$11,300.00) Dollars. 11,300.00B

Discussion ensued involving Mr. Burdett, Mr. Hunt,
Mr. Roberts, Mr. McConnell and Miss Bates.

The Moderator ordered a teller count. Vote and count
were taken and the tellers reported 131 votes in the affirma-
tive and 11 votes in the negative. The Moderator then de-
clared the motion by Mr. McConnell

SO VOTED

Upon motion duly made by Mr. Delory, it was

UNANIMOUSLY VOTED That the Special Town Meeting
stand adjourned.

REPORT OF SOUTH SHORE MOSQUITO CONTROL PROJECT

November 28, 1962

To the Citizens of Braintree:

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the Town for the year ending October 31, 1962.

The Town of Braintree appropriated \$5,600.00 for mosquito control in 1962. This money was used for mosquito control in the Town by the South Shore Mosquito Control Project, a cooperative effort embracing the City of Quincy and Towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Norwell, Scituate and Weymouth. In addition, the project worked under contract for the U. S. Naval Ammunition Depot for a period up to June 30th, ending our final contract before its deactivation.

TYPE OF CONTROL PROGRAM

The basic program of control continued to be based on drainage in the off-season and larvaciding of all areas found to be breeding during the mosquito season. This program was supplemented by application of D. D. T. dust to selected areas during the period when the swamps were frozen. Fog generators and mist blowers were used to combat flying mosquitoes.

ENCEPHALITIS

As a result of the dry weather and/or other factors not yet recognized Eastern Equine Encephalomyelitis did not appear in humans in Massachusetts this past summer. However, since there is always a definite threat present during late summer and early fall, the period when Encephalitis is most likely to appear, the project was in contact with the U. S. Public Health Service, Massachusetts Department of Public Health and other mosquito control agencies in a cooperative effort to recognize the danger signs so that work could be directed against the suspected species of mosquitoes.

AERIAL DUSTING AND/OR SPRAYING

The spring dusting or spraying of all fresh water swamps known to be breeders and too large to be treated by hand was done. D. D. T. was used at the rate of a half to one pound per acre, keeping well within the realm of safety to humans and wildlife. 1600 acres were treated in the Town of Braintree.

GROUND SPRAYING

The ground crews circulated on a schedule throughout their section. They varied from this circuit to treat in the vicinity of complaints or to treat places found to be breeding by the superintendent or foremen's inspection. They then returned to their rounds.

CATCHBASIN SPRAYING

Catchbasin spraying was done with a motorcycle servicar, a compressed air sprayer mounted on the rear. Due to a reduction of summer personnel only one unit was operating this year. A dry summer enabled regular crews to treat basins in their assigned towns, thus enabling us to keep ahead of this type of breeding.

DITCHING

Drainage, always considered the keystone of mosquito control, is more than ever important as a result of a growing concern by certain groups over the use and buildup of insecticides and other chemicals in our wildlife areas.

Over the years the ditching done by this project has greatly reduced the areas that need spraying or dusting of insecticides. On fresh water only areas capable of mosquito breeding are drained, shallow stagnant pools. The largest amount of mosquito control can be reached with a good drainage program. With this idea in mind, we have proceeded in all areas possible to ditch. In the Town of Braintree 640 feet of ditches have been cleaned and 1450 feet reclaimed.

FOGGING

This past season the project has had in operation Curtis Dyna Fog Insecticidal Fog Applicator. This machine emits a smoke containing small particles of insecticide. This smoke or fog drifts with air currents over the area, wiping out all mosquitoes and other flying insects present. This machine makes it possible to cover a large area and with insecticide particles being so small there is very little residue to build up in any one area.

PLANS FOR WINTER

Throughout the months between the past and coming mosquito breeding season much attention will be given to ditching. Work on the salt marsh will be done in the fall and early spring, and the colder winter months will be spent in the more protected areas.

In addition, when snow and ice conditions are right pre-hatch dusting by ground crews, as was done in the past year, will be applied. The success of the past work along these lines makes it feasible to continue the program. All areas that were hand dusted were free of mosquito breeding in most cases until mid-July.

PLANS FOR NEXT YEAR

All phases of the work carried out in the past will continue, placing emphasis on drainage for permanent control and then, in this order: dusting for pre-hatch control, spraying for larval control, mist blowing and fogging for adult control.

PROBLEMS TO BE SOLVED

N. A. D.

Since 1957 the project has been under contract to the U. S. Navy to do all phases of mosquito control in their Ammunition Depot, Hingham and Cohasset Annex. In June of this year, the Navy decommissioned this reservation, leaving a large area in the center of the project with no control. At present it is uncertain as to what will be done with this area. If the land involved should revert back to their former towns, Cohasset, Hingham, Norwell, Scituate and Weymouth, it will be necessary to up the assessments of these towns for mosquito control as with our present budget we would be unable to handle it.

Need for New Ditching Tractor

The project operates two pieces of tractor equipment on its drainage operation, an OC-6 scapel plow used for cleaning out existing ditches and an OC-4 backhoe trencher for making new drainage work. They have both been in constant use, one since 1955, the other 1957.

On ordinary dry trenching operations these machines might last a few more years. However, on mosquito control ditching, the machine is constantly in water, mainly salt water, year round. Consequently, rust corrosion, along with wear, they have reached a point where they must be replaced in order to maintain what has been accomplished and to continue the phase of machine ditching.

It would not be necessary to replace both tractors as one tractor so constructed could receive and operate both a scavel and backhoe trencher. This would necessitate the need for just one tractor as both of these are usually being used on the same job.

Respectfully submitted,

SIMON J. VENEAU
Superintendent

REPORT OF THE TREE WARDEN

Honorable Board of Selectmen
Braintree, Massachusetts

Gentlemen:

I respectfully submit the following report as Tree Warden for the year ending December 31, 1962.

All work approved in the 1962 budget for General Care and Tree Removal has been completed. 362 new trees were planted throughout the town.

The Tree Bank provided 125 trees this year for Street Planting. 180 young trees were transplanted in the Tree Bank to assure a continuous supply of new Trees for future planting.

I hope to continue and expand the Tree planting program, as there is still a great need for Trees in the Old and New developments throughout the Town.

Respectfully submitted,

JOHN F. LEETCH
Tree Warden

REPORT OF THE CEMETERIES

Honorable Board of Selectmen
Town Hall
South Braintree, Massachusetts

Gentlemen:

I respectfully submit the following report as Superintendent of Cemeteries for the year ending December 31, 1962.

Cemeteries were kept in good appearance throughout the year. Many favorable comments were received from Lot Owners.

There were three burials at the Pond St. Cemetery. Ten burials, four stillborns, and one Cremation at the Plain St. Cemetery.

Many thanks to the Board of Managers of Public Burial Places and the Board of Selectmen for their cooperation and assistance throughout the year.

Respectfully submitted,

JOHN F. LEETCH
Superintendent

HARBORMASTER'S REPORT FOR 1962

January 7, 1963

The Office of Selectmen
Town Hall
South Braintree, Massachusetts

Gentlemen:

There were eighty-two (82) boats of various sizes moored in Braintree during the 1962 Boating Season, not including those on floats in the Metropolitan Yacht Club area.

There were various incidents of breaking and entering of boats moored at the lower end of Watson Park where it was possible for swimmers to go out to boats to use them to dive from.

The area in the channel between the Gas Company and Rhines Lumber Yard is no longer passable from one hour before low tide to one hour after low tide.

The swimming from the Quincy Avenue Bridge at high tide is presenting a safety problem to both the yachtsmen going up and down the Monatiquot River and the swimmers alike as they dive from the bridge in front of boats and along side.

EARL F. CONNERS

REPORT OF THE PLANNING BOARD FOR 1962

Joseph M. Magaldi, Chairman

Edward J. Rose

Mitchell W. Gawlowicz, Clerk

William F. Baker

Frederick J. Klay

Harold Pearl, Town Engineer - Ex-Officio

During 1962, once again residential expansion was at a normal pace. Six public hearings on subdivisions were held in addition to the public hearing on zoning articles in the 1962 annual town meeting warrant. We are of the opinion that this building slowdown is due to the present zoning laws and regulations which this Board has either recommended or adopted. Only 81 new home permits were issued in 1962 indicating good controls and reasonable growth.

Our Town has constantly grown and the activities of our Board have increased tremendously. In addition to a regular monthly meeting all during the year, we have held at least one special meeting or inter-department conference every week. We have also made it possible to give daily attention to routine and administrative matters.

As mentioned in our report last year, tremendous interest existed then and continues to grow in the demand for multiple dwellings. Last March the Town adopted a new code regulating apartment construction. These new regulations will tend to eliminate many of the existing faults. No construction on apartment permits has been started under the new regulations as of December 31st with one exception. All units now under construction are covered by permits issued prior to the adoption of the new code.

We have before us for consideration a possible multi million dollar luxury high rise apartment development. The decision in this matter should be made by the Townspeople. The Board of Selectmen and the Planning Board, jointly, will submit the question as soon as all details are worked out.

Last year the Town enjoyed a substantial reduction in the tax rate. Fixing the tax rate is the job of the Assessors. We would like to point out that all the new business and industrial development has taken place on land which the Town rezoned on the recommendation of this Board.

Our Master Plan Study is progressing satisfactorily. To date we have received written preliminary reports on Existing Land Use, Population, Economic Base, Storm Drainage and Flood Protection, Community Facilities, Schools, Recreation and Transportation including Traffic Circulation. Meetings have been held with all Town Departments and Mr. Charles E. Downe and staff, who are our planning consultants for the Master Plan. Phase two of the study is now underway. When the studies are all completed firm recommendations will be made to the Town in order of their importance. We do have interim recommendations to guide us now and copies have been made to the departments concerned, the Finance Committee, the Board of Selectmen and the Town Clerk. When the studies are complete we will arrange to hold sectional meetings prior to the final draft.

Regarding Transportation, the question has not been resolved. The Board has kept in touch with Dr. Maloney, Chairman of the Mass Transportation Commission. We have attended many meetings on the subject including one recently held on "Monorail". In view of the fact that the matter is being acted on by the legislature it is important that all of us know what we would like and how we can go about attaining our goal. This Monorail subject is interesting and a bill is in the legislature now asking for \$40,000

which will be matched equally by the proponents so that these funds can be used for a study to determine if such a system is feasible for the South Shore. Should the results indicate feasibility then private capital stands ready to construct and operate such a transportation system at no cost to any of the communities to be served. We will remain alert to the problem and do what we can to meet the wishes of the people.

In concluding the Board wishes to express its appreciation to all who have cooperated with us in carrying on our work for Braintree to the best of our ability.

Respectfully submitted,
 THELMA C. HEDLUND,
 Town Treasurer

BOARD OF COMMISSIONERS OF TRUST FUNDS

Robert P. Gray, Chairman

Arthur L. Whitten, Vice Chairman

Joseph F. Connolly, Secretary

During the past year Mr. John J. Canavan, Sr., Chairman of the Board since its beginning, resigned due to his election as Moderator of the Town of Braintree. Mr. Canavan was highly devoted to his work on the Board of Commissioners of Trust Funds, giving untiring of his time and labor in the establishment and continued workings of the Board.

At the joint meeting of the Board of Selectmen and the Board of Commissioners of Trust Funds, held May 14, 1962, Mr. Arthur L. Whitten was unanimously elected to fill the vacancy.

Action of the Board of Commissioners of Trust Funds is governed by the following two sections of Chapter 41 of the General Laws:

Section 46. - The town treasurer shall be the custodian of all funds and securities of such trust funds, shall invest and reinvest them and expend therefrom moneys as directed by the commissioners. The treasurer shall furnish a bond satisfactory to them for the faithful performance of his duties.

Section 47. - The said board of commissioners shall, so far as consistent with the terms of the trusts, manage and control the same, and distribute the income in accordance with the terms of the respective trusts. The board shall keep a record of its doings, and at the close of each financial year shall make a report to the town, showing the total amount of the funds, and their investments, receipts and disbursements on account of the same, setting forth in detail the sources of the receipts and the purposes of the expenditures.

Regular meetings of the board have been held. Notices for same are posted with the town clerk in accordance with the law. The minutes of each meeting are kept in a bound record book.

In compliance with the above two sections of Chapter 41 of the General Laws, this report is given complete in detail.

TRUST FUNDS, INVESTMENTS, RECEIPTS AND DISBURSEMENTS
FROM JANUARY 1, 1962 to DECEMBER 31, 1962 ARE AS FOLLOWS:

DEPARTMENT OF VETERANS' SERVICES

The Department of Veterans' Services operates under Chapter 115 of the General Laws of the Commonwealth, as amended by Chapter 584 of the Acts of 1946.

In 1962 a marked increase was shown in Veterans' Benefits. An increase of 20% in expenditures was due to a 22% rise in the case load. Hospital costs were increased and medical and medication was greater due to the number of recipients.

Veterans and dependents are assisted through this office in filing claims with the Veterans Administration for service and non-service connected pensions. Advice on the procedure of settlements and insurance claims is rendered. Notary Public and photostatic services are available, without charge, to veterans and their dependents.

JAMES A. C. SMITH
Director

GRAVES REGISTRATION

In accordance with Chapter 114, Section 46A of the General Laws of the Commonwealth, as amended, all Veteran's graves have been properly cared for and suitable markers and flags placed thereon.

There were forty-six Veteran burials in the cemeteries of Braintree in 1962 and each grave properly marked. A card file system is maintained for reference in cases of damaged or lost markers so that they can be replaced.

A Veteran grave is entitled to a suitable marker supplied by the United States Government at no cost. Applications for these markers may be obtained at the office of the Department of Veterans' Services in the Town Hall.

JAMES A. C. SMITH
Graves Registration Officer

REPORT OF THE BOARD OF ASSESSORS FOR 1962

J. Warren Cuff, Chairman

Calvin E. Young, Clerk

Richard J. McNealy, Member

To the Citizens of Braintree:

The Board of Assessors met on March 26, 1962, and organized with J. Warren Cuff as Chairman. The tax rate of \$69.00 was set on May 9, 1962 and approved by the Department of Corporation and Taxation the same day.

The continued business and industrial growth is encouraging. The Board of Assessors is always ready to meet with interested business and industrial representatives to help them to locate in Braintree.

The Board offers its thanks to the citizens and officials of Braintree for their cooperation during the past year.

Respectfully submitted,

CALVIN E. YOUNG
Clerk

BRAINTREE TOWN FOREST COMMITTEE

January 8, 1963

Board of Selectmen
Braintree, Mass.

Gentlemen:

The Braintree Town Forest Committee herewith submits its annual report.

During 1962 about ten acres of the forest were cleared of underbrush, stunted trees and dried limbs, improving the appearance of the forest and reducing the chance of fire damage.

Forest fires started by carelessness or malicious intent caused considerable damage during the dry periods in both Spring and Fall, burning over between five and six acres all told and killing about 125 naturally-seeded pine trees as well as young trees of other species. There were more fires than there have been in past years but luckily none were in the areas where pine seedlings were planted in 1961, and these continued to thrive. However, the large number of fires in the forest caused the committee to abandon plans to plant additional seedlings during the year.

The Braintree Girl Scouts made their customary use of the forest by operating their day camp, Camp Sherwood, during the summer.

The committee wishes to thank the Board of Selectmen and all other agencies or individuals who have cooperated with us during the year.

Respectfully submitted,

HARRY C. LAKE
DONALD C. WILDER
JEANETTE MOHNKERN
Town Forest Committee

HIGHWAY DEPARTMENT ANNUAL REPORT

Aaron P. Whitcomb, Superintendent

MAINTENANCE

Streets and sidewalks were cleaned throughout the Town.

The business centers were cleaned daily.

All catch basins and drains were cleaned.

Drains repaired where needed

PATCHING & REPAIRS

Town streets-sidewalks-fences and guard rails were repaired where needed

STREET SURFACING

Surface treated about 78,000 lin. ft.

Used 55,000 gals. of Asphalt

RUBBISH COLLECTION

Collections are made monthly, beginning:

The FIRST MONDAY in Precincts 1 & 2
The SECOND MONDAY in Precincts 3 & 4
The THIRD MONDAY in Precincts 5 & 6

Holidays falling on Monday, collections will begin the following day.

Rubbish should be in suitable containers NOT IN OIL DRUMS.

MOTH DEPARTMENT ANNUAL REPORT

Aaron P. Whitcomb, Superintendent

PRIVATE PROPERTY SPRAYING

The procedure for spraying on private property for other than Elm Trees: The party for whom the spraying is to be done, makes application and payment to the Town Treasurer, who in turn forwards to us a copy of the receipt for payment.

This copy of the receipt is our authority to spray.

A serious condition due to Canker Worms, developed during the month of June which taxed our spraying program to the extent that orders to spray could not be handled properly, therefore this department has requested \$7,500 in the 1963 Budget for the Aerial Spraying of Canker Worms.

DUTCH ELM DISEASE

38 samples of suspected trees were sent to the University of Massachusetts Shade Tree Laboratories at Amherst, Massachusetts.

Report of their diagnosis was as follows:

Diseased	19
Sterile	19

Contract let for the removal of diseased trees.

REPORT OF THE BOARD OF HEALTH

JOSEPH H. JUSTER, CHAIRMAN

DR. MARY A. HALPIN, CLERK

ROBERT E. FRAZIER, MEMBER

FRANCIS E. CHAFE, AGENT

Diphtheria Clinic: The Diphtheria Clinic this year was admirable conducted by the School Health Department in conjunction with the Board of Health and the Visiting Nurse Association. In all 981 childred received the benefits of this program.

Food Handling Establishments: A program of more frequent inspection of all the Town's food handling installations was instituted this year. The initial inspections were very thorough and we were pleased to find so few major sanitation violations. The cooperation of management in correcting unsatisfactory conditions called to their attention deserves commendation since it often involves expenditure of money. A bi-monthly test of all the eating and drinking establishments was made and results of these tests (bacteria count) were forwarded to each establishment. In the event

high bacteria counts were recorded, an immediate re-testing was conducted, and steps taken to remedy questionable sources of high incidence.

Tuberculosis Prevention, Communicable Diseases and Health Education: The execution of the various programs connected with the above named captions have been very efficiently carried out by the Braintree Visiting Nurse Association. Braintree still continues to report a low incidence of communicable diseases. Credit should also be given to the Braintree School Health Department for its active participation in the co-operative and assistance rendered to these Health Programs.

Milk Testing: Once each month samples of milk were taken from dealers delivering milk in Braintree. These samples were tested for butter fat, total solids, phosphates, bacteria and coli. These tests reveal that the milk being sold and delivered in Braintree maintains a consistently high level. It is pleasing to report that no milk-borne disease has occurred in Braintree for quite some few years.

Any resident so desiring can review the results of these tests at the Braintree Board of Health Office.

Plumbing Inspector's Report: Under the jurisdiction of the Board of Health a total of 815 inspections were completed by the Plumbing Inspector. Before any inspection is considered complete the work must fully meet the Plumbing Rules and Regulations of the Board of Health.

Polio Clinic: The Braintree Board of Health in cooperation with the School Health Department and State Health Department joined forces to offer the new Sabin oral polio vaccine to all pre-school children age three months to children in the kindergarten and first grades in the public, private, and parochial schools in town.

The Sabin Oral Vaccine is taken in three (3) separate virus types. Types I and III were given in May and June respectively. Mass Clinics for these two types were offered at the Lincoln, Lakeside and Highlands Schools. Approximately 4100 children attended these clinics. Type II vaccine will be offered in May of 1963.

In order to provide polio protection to the children and adults not eligible for the Sabin program, the Board of Health urged a mass Salk vaccine booster program be made available. This challenge was accepted by the Doctors of Braintree. So on Sunday May 6th some 3200 Braintree residents turned up at the Town Hall for their shots.

Free Salk oral polio vaccine will continue to be offered free to the Doctors and The Braintree Visiting Nurse at the Health Department, office in the Town Hall.

A further Sabin oral polio program is being planned by the State Health Department for all school children thru grade 12 and will be offered in 1963.

Asian Influenza Clinic: An Asian Influenza Clinic was held during the month of December for those town employees desirous of protection from the predicted upswing in influenza virulence this winter. The clinic was conducted for the Board of Health by the Braintree Visiting Nurse Association at their Washington Street facilities. This program was greatly appreciated and very well attended.

Gas Piping and Gas Appliance Inspector's Report: A gas inspector was appointed by the Board of Health in accordance with the law voted into

effect at the March 1962 Town Meeting as required by the General Laws Chapter 737, acts of 1960. From October thru December there were 100 permits issued and inspections made. Before any gas piping or gas appliance is installed a permit must be issued by the gas inspector and when the work is completed it is inspected by the gas inspector for his approval.

Annual Disposal Report: The following is a table by months of the number of animals taken care of at the Board of Health Incinerator:

January	37	July	30
February	27	August	34
March	35	September	36
April	36	October	41
May	38	November	35
June	34	December	38

DENTAL HYGIENIST REPORT

September 5, 1962 - December 21, 1962

At the opening of the school year dental examinations were given to all the pupils from kindergarten through the eighth grade.

I contacted the local dentists and they volunteered their services to do the general inspections.

Following the examinations, notices were sent home to the parents of those children who were found in need of dental attention.

After these cards are signed and returned, I check each card and carefully study those requesting Clinic.

I consulted the teachers where the child attends, also district supervisors, district principals, school nurses and if in doubt the Visiting Nurse Association, before the pupils are eligible.

Other letters, telephone calls were made to parents as the occasion called for, especially, to explain to new families moving into town the set-up of our dental clinic.

By determining the number of days in the school year that the dentist could work and considering the increased population, the condition of the teeth in each building, a working schedule is planned by the dental hygienist for just how long the dental clinic will remain in each school building.

The dental hygienist not only organizes the schedule, but prepares the clinical cases before the dentist moves into the school building.

I have fifteen schools to cover.

I assist all the local dentists, including the school dentist during the general examinations in every school throughout the entire town.

After those examinations are completed, I start my clinical work, also my educational program.

Dental health posters are hung in all schools and reading materials in regard to tooth brushing habits at home, nutrition for good dental Health are distributed.

I had a meeting with Dr. Ward, Director of Visual Aids, the first part of November.

Films were discussed and a program was arranged to show dental films for age levels including kindergarten through eighth grades.

I will devote most of January, February and part of March showing these films on "Dental Health" education.

To create some enthusiasm, I suggested Mr. Ward take a picture of the classroom obtaining the first 100% Dental Chart in the town.

For publicity have the Braintree Newspaper print picture and news.

Dr. Ludlow is making it possible to continue the prizes to be given to all pupils and teachers in the classrooms which attain 100% on the dental charts. He is planning to contact all local dentists for donations to be used for this purpose.

The end of November, Mrs. Doris Smith, sixth grade teacher at Lakeside school, was chosen as a guest speaker at a meeting held in a Boston hotel.

Last February, the guests I invited from the New England Food and Dairy Counsel were so impressed with the performance of the dental skit "Talking Teeth" that Mrs. Smith was asked to give suggestions on how she conducted this classroom project.

This meeting consisted mainly of teachers from all over the state.

In closing, I would like to thank principals, supervisors, teachers, nurses, secretaries and custodians for their excellent co-operation.

I wish also to thank Mr. Proctor, Mr. Raymond and members of the Board of Health, also the secretary and local dentists for their valued services.

Respectfully submitted,

SABENA D. ARSENAULT, R.D.H.

Educational Materials were received from the following:

1. H. P. Hood & Sons, Inc.
2. Dept. of Public Health, State House, Boston
3. National Dairy Counsel
4. New England Food and Dairy Counsel
5. American Dental Assoc., Chicago, Illinois
6. Kolynos Company
7. Church and Dwight Co., Inc.
8. International Apple Assoc., Washington, D. C.

PARKS, PLAYGROUNDS AND GOLF COURSE

CHARLES F. ABELL, SUPERINTENDENT

The Braintree Park Commissioners are trying to expand our park facilities with the growth of our town.

During the summer over seventy different ball teams used our playgrounds for after supper league play. This does not include the Park Departments Organized Play program of forty teams playing scheduled games. A complete program of Arts and Crafts was presented at our thirteen playgrounds. At Sunset Lake and Swifts Beach, swimming classes were held for beginners to senior lifesaving. Hundreds of children took advantage of our waterfront program.

The Park Commission are checking on possible sites for ice skating in East Braintree and in the Highlands. It is hoped something can be done about safe skating areas in 1963.

The Braintree Municipal Golf Course had another good year of play. More and more Townspeople are taking advantage of the course in the form of recreation.

The course is self sustaining which in turn helps out in the over all Park Department budget.

The Park Commissioners are grateful to the service organizations in our Town, and the Town Departments who have assisted us in making 1962 a successful year.

GEORGE F. LEBEN

EARL HOLLIS

EDGAR L. COPP

GEORGE H. SNYDER

EDGAR L. LAWRENCE

MITCHELL GAWLOWICZ

ARIGO LaTANZI

DR. EDGAR L. COPP

REPORT OF THE FIRE DEPARTMENT

HARRY T. SEARS

Chief of Fire Department

Superintendent of Fire Alarm

In 1962 out of a total of 991 calls of all descriptions 150 resulted with a loss totaling \$209,800.46. Property valuation involved by fire in 1962 \$2,211,762.00.

Fire prevention being the most effective weapon in lowering the fire loss and minimizing the physical dangers to our people, we have introduced the Junior Fire Marshall Program which has contributed measurably in controlling hazardous conditions in the homes. Over 3,300 homes in the Town of Braintree were inspected, cleared of any fire hazard through a questionnaire by the Junior Fire Marshall. The questionnaire was then returned to the school teacher before receiving a reward. We feel this plan along with the Fire Department Fire Prevention program is far reaching in reducing our fire losses and protecting the lives of our people.

By amending the Building Code at the 1959 Town Meeting and adding the Sprinkler and Fire Detection Law, all boarding or lodging houses, hospitals, nursing homes, convalescent homes, schools, and all new business or industrial establishments having more than 3,000 square feet of floor area must be protected by a complete sprinkler system or a complete Fire Detection system.

This year we hope to amend the Building Code by adding a Fire Detection Law to protect life in dwelling houses. All new dwellings must install a complete fire detection system. The loss of life is outrageous and unnecessary.

Mutual Aid plays a very important part in the protection of life and property. We are grateful to have automatic Mutual Aid with our neighboring city and towns.

During the year 1962 we used 21,650 feet of 2-1/2 inch hose, 18,550 feet of 1-1/2 inch hose, 80,000 feet of booster hose, and 1,452 feet of ladders. Our Engines pumped water 247 hours and 5 minutes. We answered 85 calls for Oil-Gas-Water leaks, 62 False Alarms, 62 calls for building fires, 352 calls for Grass-Woods-Dumps, 43 calls for Resuscitators, 88 calls for Automobiles and Trucks, 22 calls for Mutual Aids, 21 calls for Automobile accidents and 256 miscellaneous calls making a total of 991 calls in 1962.

Supervised drills and schooling in the Fire Department are carried on throughout the year to keep abreast of the most advanced fire fighting techniques and equipment.

In 1963 I have requested 7 (seven) additional Fire Fighters due to the increased property to be protected. Over \$40,000,000.00 worth of new property must be protected.

To protect this additional property a 2nd man should be added to the 2nd Engine company in the Central Station, and a 2nd man should be added to the 2 (two) - man Engine Company in the Highlands district. This should eliminate building and equipping a new fire station in the South Shore Plaza district at this time.

The last increase in personnel was in 1956.

The Fire Stations are in very good condition except for some minor repairs. The apparatus is in very good condition.

I have recommended the purchase of a 2nd piece of Aerial equipment. One 20 year old 65 foot Aerial Ladder is inadequate to protect a town with a population of 33,000. When we purchased the aerial ladder in 1942 we had 4,663 dwellings; today we have 8,000 dwellings plus new schools, numerous manufacturing plants and the new South Shore Plaza District.

A permit is required from the head of the Fire Department for the installation and storage of liquified Petroleum Gas system. 30 permits were issued in 1962 for such installations. 80 Permits for blasting and 750 permits for fire in open air.

The Fire Alarm system is in very good condition except for a 21-year old fire alarm truck. I have recommended the purchase of a new fire alarm truck. In 1962 five new alarm boxes were added to the fire alarm system.

In closing I wish to thank the Honorable Board of Selectmen and all others who have assisted the Fire Department in carrying out its duties.

1962 ANNUAL TOWN REPORT BOARD OF PUBLIC WELFARE

The Federal Government through the Social Security Act, together with the State Government, grants substantial reimbursement in all categories of relief, except General Relief, as well as for the administration of the several programs.

OLD AGE ASSISTANCE: Old Age Assistance functions under Chapter 118A of the General Laws. Such assistance is on the basis of need and the amount thereof determined in accordance with budgetary standards established by the local Board of Public Welfare subject to the approval of the State Department of Public Welfare. To be eligible a person must be 65 years of age or over.

The total expenditures for the year 1962 for this category amounted to \$148,914.67. The Town's share after Federal and State reimbursements was \$15,831.24. The total amount of recoveries made under the Lien Law was \$11,760.15, which was redistributed to the Federal, State, and Local governments.

MEDICAL ASSISTANCE FOR THE AGED: Medical Assistance for the Aged is a program of public assistance established by the General Laws Chapter 118A, Section 13 through 32 under which medical care is provided for persons 65 years of age or over, whose income and resources are insufficient to meet the costs of necessary medical services. Children of applicants are allowed certain exemptions by law before being required to contribute to the support of their parents.

The total expenditures for the year 1962 amounted to \$152,595.31. The Town's share after Federal and State reimbursements was \$26,450.27.

AID TO DEPENDENT CHILDREN: Under Chapter 118 of the General Laws, Aid to Dependent Children became effective in Massachusetts in 1937. Originally planned to provide for widows and children who are in need, the program has been extended to assist families because of divorce, legal separation, incapacitated, deserted or incarcerated fathers. By a recent amendment to this Chapter further extension has been made to include needy children deprived of parental support because of unemployment of parents.

Beginning July 1, 1962, in conjunction with the recently established Federal Bureau of Family Services, particular emphasis is being made on extended social service to meet special problems of families; such as: (1) Strengthening family life, safeguarding children in hazardous home situations, and reducing dependency through an effective program of rehabilitation services; (2) Effective activity in the location of deserting parents as well as for the prevention of fraud. On the latter, control and prevention of fraud must be the constant objective of the welfare administration.

The total expenditures for the year 1962 amounted to \$50,513.75. The Town's share after the Federal and State reimbursement was \$12,724.85.

DISABILITY ASSISTANCE: Under Chapter 118D of the General Laws, Disability Assistance became effective December, 1951. To be eligible for this program, a person must be between the ages of 18 and 65 and physically and totally disabled as certified by a complete medical report and approved by the State Medical Review Team.

The total expenditures for the year 1962 amounted to \$37,285.79. The Town's share after the Federal and State reimbursements was \$9,321.45.

GENERAL RELIEF: On the basis of settlement laws under Chapter 116 and General Relief under Chapter 117, the town pays other cities and towns for assistance given to Braintree settled cases.

General Relief cases, based on laws of settlement, meaning the city or town of settlement reimburses the town, in full, the amount of assistance rendered. Braintree settled cases are borne by the town. If no settlement, reimbursement is made by the State. There is no Federal Reimbursement in General Relief.

Chapter 584 of the Acts of 1959 which amended Sec. 24 of Chapter 117 became effective in December of that year. Under this amendment, the town receives referrals from the various hospitals on any Braintree resident who is hospitalized. These referrals are investigated by the welfare staff as to the eligibility for assistance of the resident, as well as of their ability to pay, otherwise the town is liable for payment.

The total expenditures for General Relief and to cities and towns for 1962 amounted to \$6,963.91. Under the settlement laws, the town received from other cities and towns \$775.38.

Mr. Harry J. Gaffney, a loyal dedicated official, retired as Director of Public Assistance on October 23, 1962, after serving 16 years in that capacity. He did an excellent job for our town and for your Welfare Board. He will be greatly missed.

Mr. Lloyd L. Doyle was appointed Director of Public Assistance on October 24, 1962, subject to Civil Service regulations.

The Board wishes to thank the many town officials as well as others who have cooperated with our Department in any way during the past year.

BOARD OF PUBLIC WELFARE
HERBERT B. HOLLIS, CHAIRMAN
HARRISON T. SMILEY, CLERK
FRED A. TENNEY, MEMBER
LLOYD L. DOYLE, DIRECTOR

REPORT OF THE POLICE DEPARTMENT

JOHN V. POLIO
Chief of Police Department

January 1, 1963

TO THE CITIZENS OF BRAINTREE:

I herewith submit my report of the activities of the Police Department for the year ending December 31, 1962.

ARRESTS

Total Arrests
and Summons-----534

Male Resident-----	261	Female Resident-----	121

During the year 1962 we had four retirements. They were men who served the Town of Braintree faithfully for many years. Cornelius Sullivan was the first to retire on May 31st. On June 30th we bid farewell to our Chief, Edward D. Cahill, after thirty-six years of outstanding service. Our most capable safety officer, Albert E. Wynot, was next on October 13th. Last, but not least, was John F. O'Rourke, Sergeant in Charge of Plain-clothes on October 31st.

On June 11, 1962, our beloved brother officer, Arthur E. Davenport, passed away at the age of 37.

New faces added to the Department to cover the retirements and death are John Larmey, Thomas Brow, Charles MacCormack, Donald Maglio, Charles Graziano, Julius Digaetano and Robert Antonius.

In my budget for the year 1963 I have taken the initial steps for re-organization of the Department. To accomplish this I have requested the establishment of the rank of Captain. I have also requested two Lieutenants. One will be a relief Lieutenant so there will be a Superior Officer in command of all shifts at all times. The second Lieutenant will be in charge of B.C.I. and prosecuting. I am further requesting six patrolmen needed to provide adequate protection for the Town.

I am asking for a new station wagon cruiser and the trade-in of two Harley-Davidson motorcycles plus a 1952 panel delivery truck.

I have recommended a new radio system to replace present equipment which was installed in 1952. I have also recommended an improvement in our telephone communication system.

The purchase of a photo-copier has been recommended as it will be invaluable to the Department.

I would like to extend my sincere appreciation to the Board of Selectmen and other officials of the Town and especially to the members of my Department for their cooperation at the time of my taking over the duties and responsibilities as Chief of Police of the Town of Braintree on December 12, 1962.

Respectfully submitted,

JOHN V. POLIO, Chief
Braintree Police Department

THAYER PUBLIC LIBRARY
REPORT OF THE LIBRARIAN
1962

THE LIBRARY IN THE LOCAL COMMUNITY

A public library exists primarily to give both recreational and educational service to the community in which it is located. The Thayer Public Library, Braintree's public library system, consists of the Main Library, located approximately in the geographical center of the town, and two small branches located in two outer areas of the town, serving a population of 31,069 people. During 1962, the staff of nine full time, and five adult part time librarians; one full time and one part time custodian have tried to give the best service possible with our given facilities and appropriation to 14,000 townspeople registered as library borrowers. We have also served regular paying out-of-town borrowers from Holbrook, Randolph, Foxboro, Hanover, Scituate, Brockton, Quincy, Rockland, Weymouth and out-of-town students from Thayer Academy and Archbishop Williams High School. We have lent in 1962 to local and out-of-town borrowers 319,567 books, periodicals and phonograph records. The detailed statistics showing the complete use and resources of the library precede this report.

STUDENTS IN THE PUBLIC LIBRARY

In January of 1962 the Study Room with its own separate collection of reference books was opened to High School students. This was to relieve the crowded conditions in the upstairs rooms, especially in the evenings, and is intended for real study purposes only. It is necessary to staff this room with an adult monitor to keep order. The first few weeks we found it difficult to get students to use this room, because they could not have a good time. Some high school students do not come to the library to study, but to meet their friends. They appear to consider the library a social club. However, this is not true for the great majority of students. There are a great many who do want to study and are serious in their purposes of coming to the library. As soon as they became used to the idea of a place to study, and when they found that we intended to keep the room quiet, these serious students have appreciated the room and have used it to good advantage. There is still a certain group who come in to have fun and disturb the students; they have no intention of using the library except to have a good time.

This is not a problem peculiar to Braintree. We read in both library periodicals and other magazines that this is becoming a critical problem throughout the country. In the Newsweek Magazine for December 31, 1962, an article entitled "Twist in the Stacks" reports the serious problems of rowdiness, mutilation and theft in the large city libraries of Los Angeles; Brooklyn, New York; Evanston, Illinois; and even in Honolulu. Los Angeles has had to close completely two branches because of this problem. New York City's Fifth Avenue library has had to discontinue to students under a certain age the privilege of using its reading room facilities. We are determined to avoid any such backward step in Braintree. There is probably no final solution to this problem but its control is possible if parents and educators will cooperate in discouraging socializing in the library. Failure to control it is a real threat to the progress of learning; it is an educational problem as well as a library problem.

Braintree library service to students has been strengthened tremendously by the realization by our School Department that this phase of our service is a normal extension of their educational function. We are indeed

fortunate that our school committee again this year has contributed substantially to the enlargement of our collection of reference books in the Study Room. We intend to work towards even closer cooperation as time goes on, particularly in preparing to meet the demand when individual teachers give assignments which result in requests by large groups of students for the same material.

We are pleased that the program for 5th grade school children which was worked out last year in cooperation with the School Department and the Historical Society has continued in the second year. Every 5th grade child in the town, from both public and private schools comes to the library on a school day to learn how to use the Children's Library and of the interesting things it offers, and to hear an illustrated map lecture on the History of Braintree.

Student use of the library is to be commended, for this measures to a large degree the library's success as an educational institution in the Town. The library does, however, have the problem of preventing use by one group from interfering with the enjoyment of Library facilities by other library patrons. The transfer of student study facilities to a special room has done much to eliminate the disturbance of adult users of the library by the ever increasing number of students. There is no question that the increased use of libraries by students is straining the facilities throughout the country. This increase should please us all, but we must face up to the necessity of keeping our Library abreast of these developments. It cannot be done without additional expense and personnel.

Measures under consideration which may alleviate the student problem are the possibility of opening the Study Room in the afternoon and opening the Main Library on Tuesday evenings. For some time we have realized that the Main Library building should be open on more evenings during the week, but it has been a problem of arranging staff schedules so that there could always be one person on duty familiar with reference work, and enough other staff members to handle the desk work. Borrowers have frequently spoken about being open on Tuesday evening, and we feel that this might relieve the congestion during the other three evenings. One of the first duties of the new year will be to try to work out a schedule to permit opening this additional evening, and also to try to provide for a staff member in the Study Room in the afternoon.

MUTILATION AND THEFT OF BOOKS

Earlier in this report of the student problem, we mentioned the mutilation and theft of books. Nothing is so disconcerting to a borrower or to a librarian as to pick up a volume of an encyclopedia and find that a particular article has deliberately been taken out; or to find that a complete volume is missing. Library materials are public property and for the use of all citizens, and students doing this have thought only of their own needs and not that they are depriving some other student of using the material also. Not only encyclopedias, but also ordinary circulating books may have several sections dealing with a particular subject, or pictures and diagrams torn from the book. Recently a student picked up the C volume of the Americana to use the article on Communism; the whole four or five pages on this subject had been neatly cut out with a knife or razor blade. It is difficult to trace the origin of this, although staff members have been instructed to be continually on the watch. We hope it will not become necessary to resort to the procedure used in many large libraries of preventing direct access to reference books and inspecting every such book when it is returned to the desk.

PERSONNEL CHANGES

On November 7, 1962, Mrs. Dorothy Blair retired as Children's Librarian at the Library having filled that position since September, 1946. Her years of service to the library and especially to the children of the Town of Braintree will not soon be forgotten. Mrs. Blair had taught not only in elementary schools but in Teachers' Colleges, so she was unusually well qualified to counsel children and parents in the choice of reading materials. Under her stimulating influence non-readers have become readers;

A familiar face in the Children's Room

Mrs. Dorothy H. Blair, retired November, 1962

they have developed a taste for good reading and they know how to use the facilities of the library. She had a gift for telling stories and each summer children would sit with enrapt attention at her weekly story hours; this summer there was a total attendance at the eight story hours of 1073 or an average of 134 each week, the highest being over 200. It bespeaks real talent to keep at attention such a large number of children.

It was a difficult problem for the Librarian and the Trustees to find a satisfactory person for the new Children's Librarian. After much searching and interviewing applicants during the summer months, Mrs. Sarah F. Cobb of Hanover was appointed Children's Librarian to begin work the first of October. Mrs. Cobb attended high school in Swarthmore, Pennsylvania, and is a graduate of Colby College, Waterville, Maine. She has taken courses at the University of Connecticut in education and library science, the latter including cataloging, reference, Children's Literature. She has also taken a course in Story Telling with Mrs. Beryl Robinson of Channel 2. She has half of her credits necessary for a degree in Library Science. Her professional experience includes work at the Swarthmore Public Library, five years teaching in the Junior High School of Windsor, Connecticut. Three of these years she was in charge of a new school library which she organized in a new building. She came to Braintree from the Rockland Public Library where she was the Children's Librarian. Mrs. Cobb worked for a month

before Mrs. Blair retired becoming familiar with the background of the work here in Braintree. Parents are invited to come in and meet our new Children's Librarian.

Another position to be filled in 1962 was that of Supervising Custodian at the Main Library building. In addition to the primary requirement of being a qualified stationery engineer, familiar with building and equipment operation and maintenance, this position requires a person of integrity, and tact, who has the personality to deal with young people and adult groups who may use the auditorium. In February, Mr. Leonard W. Cosgrove, of East Braintree, was appointed in this capacity. He has proved both efficient and popular and is a happy addition to our personnel.

OTHER CHANGES

Mrs. Julia Doukszewicz, who has served at the East Braintree Branch as assistant for several years, very capably took charge of the branch during the prolonged illness of Mrs. Giles, branch librarian. Miss Judy MacAllister who had served as general assistant in the adult department was transferred to the Children's Department as assistant to take the place of Miss Anne Whalen who had been working on a temporary basis. Mrs. Sarah Nightingale, Miss Yvonne Benoit and Miss Dorothy Kamison joined the staff in the Adult Department as full time assistants to fill vacancies of long standing which had been filled temporarily by part-time people.

THE LIBRARY'S PLACE IN THE LARGER COMMUNITY

The library's chief duty is to the citizens of its own community; however, it has a responsibility to work in cooperation with neighboring communities as well as to be familiar with and take part in library services of a broader nature. Just as separate towns can better serve their citizens by being a part of a county and state organization, rather than remaining isolated, so it is with libraries. The Libraries of Massachusetts are in the process of organizing for more effective service by providing a system of Regional Libraries throughout the state.

REGIONAL LIBRARY SERVICE

The State Legislative Act of 1960 providing for State Aid to public libraries by a direct Grant-In-Aid to towns and cities, also provided for the establishment of a state-wide program of Regional Library Service. A regional library program will be a program of services which a local library either cannot provide at all for itself or cannot provide adequately by itself. By cooperating with other libraries horizons will broaden.

Plans for Regional Centers in Worcester and Springfield have already been approved and are in the process of being set up. If present plans are adopted in January, one large Eastern Region will be set up, with the Boston Public Library as the Regional Center. Braintree will belong to this region, and will be one of twenty-nine towns and cities in a South Metropolitan Sub-Region with the Quincy Library serving as the sub-center.

What will these plans mean to the citizens of Braintree?

1. Inter-library Loans

Through the Thayer Public Library citizens can borrow on inter-library loan from a much more extensive collection of materials than is now possible, service will be more complete and a great deal faster than at present.

2. Telephone Reference Service

Your library will be able to telephone to either the Sub-Regional center or to the Regional Center on a telephone collect basis, for answers to quick reference questions we are not able to answer ourselves.

3. Reference and Research in Depth
This means that the resources of the greatest public library (the Boston Public Library) will be available for use by all the residents in the Eastern Region. It will be an attempt to make research library service to the ultimate degree available to the smallest community.
4. Individual Borrowing
An individual from Braintree will be able to borrow personally from the Boston Public Library as the Regional Center and the Sub-Regional Reference Center at Quincy, as long as he has a card at the Thayer Public Library.

Miss Hall has been privileged during the past few months to have a part in helping to organize this important project. She has served as Chairman of the Nominating Committee to select officers for the South Metropolitan Sub-Regional Advisory Council, and a member of the Nominating Committee for the overall Eastern Region. She has also served as a member of the Planning Committee to review questionnaires returned by librarians and to draw up a qualitative statement of library needs for this area. Your librarian has considered this a most enlightening and worthwhile task, and feels it is a great privilege to have been able to work with many librarians in trying to bring about this important program of making the best and most extensive service possible for all citizens in this area.

OTHER INTER-COMMUNITY ACTIVITIES

Mrs. Emerson has served during the year as Treasurer of the Old Colony Library Club, and Mrs. Tarbox has served as Auditor of the same organization. Miss Hall has also served as Secretary of the Greater Boston Public Library Administrators.

The Thayer Public Library was host to the Old Colony Library Club in June. This was an unusually large meeting, with the library auditorium filled to more than capacity. As another measure of offering service to neighboring communities, the Trustees agreed to extend limited privileges of the Braintree Library to card holders of the Randolph Library after the disastrous Randolph Library fire in December. This will be for an emergency period until such time as adequate facilities are restored in Randolph.

The reference librarian has compiled bibliographies for Norfolk County Extension Courses, and is receiving many letters from people in all parts of the country asking for information on Braintree ancestors.

GIFTS

The library acknowledges gifts of books and periodicals received during the year from the following:

Reference Books for the School Study Room from the School Department.

Books from the following organizations and Braintree individuals:

American Petroleum Institute
Telephone Pioneers of America
F. E. Compton Company
Hallmark Cards, Inc.
Bookman Association of New York
Ford Foundation
Cecil B. DeMille Trust
Bernard J. Granville - Oppenheimer Fund
Armstrong Cork Company

Public Trustees, London, England
Tufts Library, Weymouth
Free Public Library, New Haven, Connecticut
Braintree Garden Club, books in memory of Mrs. Sophie Blunt
and Mrs. Wallace Bacon
Quincy Cooperative Bank in memory of Henry Davis Higgins.
Mrs. H. Hobart Holly, Mr. Paul Preaux, Mr. H. Wolfert,
Mr. A. A. Wall, Dr. Charles Sturtevant, Mrs. Margaret Drovett,
Mrs. Charles Rolfe, Mrs. Jean Ekstrom, Mrs. Daniel Nihan,
Mrs. Raymond Lyons, Mr. Gordon Trask.

Periodicals from the following:

Lions Club - Lions Magazine
Rotary Club - Rotarian
16 & 8 Movie Club - Better Home Movie Making
Dr. Marvin Powell - Forbes Magazine
Mr. R. G. Longfellow - Numismatist Magazine
Mr. Gordon Trask - Journal of Accountancy

The service of the Thayer Public Library has a good reputation among state library officials and neighboring libraries. This reputation is possible only by the untiring efforts of each one of the library staff working with the advice and guidance of the Board of Trustees to carry on this type of service.

Respectfully submitted,
MIRIAM HALL
Librarian

REPORT OF THE BOARD OF WATER COMMISSIONERS

To the Citizens of Braintree:

The Braintree Water Department, at the end of its 72nd year, continues to grow with the ever-increasing demand for water.

Expansion of our department during the past ten years is noted by the following figures:

gallons pumped in 1952 --	573,067,000
gallons pumped in 1962 --	1,057,154,100

The supply of water has been increased by excavations in Great Pond and Upper Pond and by the installation of the Lakeside Well. We have in the planning stage: further excavating projects, installing of a new dam at the north end of Great Pond, and the yearly search for new well sites.

During the hot weather for the past eight years, we have had an odor and taste problem. Our Superintendent has spent many hours on a solution. A larger Carbon Machine was installed and proved fairly successful. A diver was hired to examine the floor of Great Pond. He discovered silt from five to fifteen feet deep over a great portion of the bottom. When the temperature of the water rises this silt ferments, thus causing the problem for which dredging seemed to be the only answer. However, after conferring with our engineering consultant and a dredging contractor, we found this operation to be very costly.

Mr. Richardi made a trip to Washington D. C., and full investigation into various Federal and State agencies for financing this dredging project showed State Aid was the answer. A meeting of the Water Boards of Randolph, Holbrook, and Braintree was held with Representatives Hollis, Johnson, Connell, Senator McCormack, and Town Counsels of Holbrook, Randolph and Braintree. A bill was drafted to be presented to the Great and General Court for funds for the project with the approval of the members present at our meeting together with Cartwright and Mullen. This is known as House Bill #1198, and if passed, will enable us to commence dredging. The end result will be a saving on chemicals for treatment of water, uncovering springs now plugged by silt, and increasing storage facilities.

The Commissioners wish to thank Mr. Richardi and the employees of the Water Department for another year of devotion resulting in another year of progress.

Respectfully submitted,

THOMAS H. MATTHEWS, Chairman
ARTHUR L. WHITTEN
HOWARD J. ROSE

Board of Water Commissioners

REPORT OF THE SUPERINTENDENT

To the Board of Water Commissioners:

As Superintendent of the Water Supply System, I am pleased to submit the 72nd Annual Report showing the present condition of the Department and all the extensions and improvements made together with a statement of the cost of operating the system during the year.

The Distribution System has been increased by 9,386 linear feet of water mains and 19 new hydrants. We added 117 new services, 16 were renewed, and 32 were repaired.

The repairs and improvements made at Great Pond were as follows:

A 14" Butterfly Valve on #1 Filter was installed and is now in service. We installed a new Carbon Machine which is working to our satisfaction. We also painted the Filtration Plant. Weston and Sampson our Consulting Engineers sent their head chemist, Mr. Bogren, to check the taste in the water. For the most part, this work was done by our own Supervisor at the Pumping Station along with our other employees.

Sprinkler lines were installed at the Hixon Electric Company, Weymouth Art Leather, Jenkins Company of Wood Road, and the Abrasive Company.

We had an excessive amount of locating and marking mains and services for the Highway and Sewer Departments. The Contractors installing sewer lines in the Town caused considerable damage to our mains, hydrants, and to our services.

Regarding Article #50, laying water mains, we have replaced a 6" line with an 8" line on Quincy Avenue from Hayward Street to the Quin-tree Drive-In Theatre with 1,800 feet of 8" cast iron pipe and we replaced a 4" pipe with an 8" cast iron pipe on Bickford Road and Newton Avenue.

We lowered a main on Middle Street for the Highway Department under Chapter 90 at a cost to the Water Department for the amount of \$1,652.50. This work on both Article #50 and the Chapter 90 job was done by the Water Department forces.

There was a considerable amount of vandalism done to our property which caused much damage. On Audubon Avenue, a hydrant was opened and the meter was broken at the Watson Park Playground. At Sunset Lake, five barrels were damaged, the lock on the pumping station and four windows were broken. The Police Department was notified of the damage in each case.

On April 9th, we commenced with our program of flushing all the hydrants in the Town. This operation was completed in ten days by having our men work from 9:00 P. M. to 1:00 A. M. The people of the Town were notified through the Patriot Ledger and Radio Station W.J.D.A. We want to thank everyone for their full cooperation during this program.

Two of our loyal employees retired this year. Rocco DiFiore who completed 19 years of service retired on August 29th, and James Starkey retired on April 4th with 22 years of service.

I would like to express my appreciation to the Board of Water Commissioners for their full cooperation and assistance during the past year.

Respectfully submitted,
DONATO T. RICHARDI
Superintendent

ANNUAL REPORT OF THE BRAINTREE SCHOOL COMMITTEE

The year 1962 was an active and productive year for the town's School Department.

It saw the introduction of a modified plan of a non-grade level of teaching in two elementary schools. This plan when in full operation will permit a child to proceed, within limits, at his own ability. It is planned that this program will be adopted by all elementary schools at the discretion of the superintendent.

Through the efforts of the administrators and teachers, great strides are being made in better articulation in subject matter between the various levels of the school system, especially in the fields of mathematics and languages. This will tend to eliminate some of the overlapping of instruction between grade levels and allow more time for new subject matter to be taught.

We also would like to call to the attention of the Town the improved program in Physical Education, an often overlooked aspect of a well rounded educational program. The Braintree physical education program has become a leader in the State of Massachusetts through the efforts of talented instructors and newly acquired equipment.

The committee has appointed an assistant to the superintendent in charge of buildings and grounds, and hopes that an improved program for the care of our buildings and grounds will be developed. Because of the ever increasing physical size of the Braintree school system, it was imperative to create this position for maximum efficiency in maintenance.

Another development that took place this year, which indicates the desire of town departments to cooperate with each other, was the program worked out between the Park Commissioners and this committee. Equipment and labor were shared mutually in this program, in the care of grounds owned by the school department and used by the park department and when the situation was reversed. It is the hope of both departments that this program will be continued and perhaps enlarged as the years go on.

This year has seen our new East Junior High School in full operation. The new Monatiquot School building was ready for occupancy in September. A new boiler and heating system was installed at the Braintree High School to replace an antiquated and dangerous condition.

In a school system the size of Braintree, almost continual major physical changes have to be made. In order to anticipate these, a School Survey Committee has been set up. The duties of this committee are to make a constant survey of the town-wide needs for additional school facilities and to keep the School Committee appraised of their findings.

In conjunction with their efforts and those of other interested townspeople and departments, the committee is considering the requirements of the future in all sections of town as this year closes.

It was with great regret that the committee accepted for the town, the resignation of the Superintendent. In his years in Braintree he has proven many more times than can be enumerated, his untiring devotion to the duties of his position. It is largely through his increasing efforts that we have one of the very best faculties and modern school systems in the Commonwealth.

The Committee is grateful to the entire faculty, the maintenance and custodial personnel, the secretarial staff, and all other employees for their complete cooperation during the past year, and for making it a very pleasant and fruitful year for all the students of the Braintree Schools.

New Monatiquot
School Building

REPORT OF SUPERINTENDENT OF SCHOOLS FOR 1962

Some Statistics of Growth and Achievement

Braintree public school pupils continue to show good progress toward their educational and vocational goals. Tests show this.

National standardized tests show Braintree pupils able to place among the best. In the National Merit Test Braintree had three semi-finalists and six winners of Commendations Certificates. (Incidentally, only one of these is a girl.) No other town near us, of Braintree's size, can show any better success in national competition.

Pupils on Grade seven and Grade eight levels show similar success gradewide.

"The Braintree grade 8 group is clearly a superior group in every area tested, but especially in the language arts area....

"As would be expected by past performance, Braintree is, of course, substantially above the national norm. From information available for other grades, we know that Braintree also is substantially above the national norm in school learning capacity, as substantiated by the California Test of Mental Maturity. Hence the higher average achievement is not surprising. However, counteracting this factor of better-than-average mental ability, is the fact that Braintree children also are slightly younger. Through the lower grades and even up into the

Field Trip to Commonwealth Pier

seventh and eighth grades a month or two difference in average chronological age can make a rather substantial difference in test performance. The conclusion the writer would draw from this chart is that Braintree is doing an excellent job in those aspects of the total school program measured by Metropolitan."

Above quoted from REPORT on the administration of JUNIOR HIGH SCHOOL GUIDANCE BATTERY, Braintree, Massachusetts, Grades 7 and 8, October 1962.

Walter N. Durost, Ph.D., Director - Test Service and Advisement Center

Our college placement is good in that we continue to place our usual 21 per cent or more in four-year schools and about 50 per cent to schools of higher education. From 1955 to 1958 was our lean period when about one-third, instead of the present half, went on to institutions of higher learning. The placement in recent years shows the usual per cent, but it involves twice as many people placed. This is the significant showing! With fewer admissions to colleges and schools available, Braintree is really placing twice as many graduates in these schools and colleges than ever before.

From a temporary tally (we will know accurately from the written follow-up) 56 boys and 31 girls were attending a four-year college a year ago from the Class of 1961. Looking at the newer class, 1962, 59 boys and 21 girls are attending college.

Creative Work in Kindergarten

South District

Perhaps the most immediate problem facing the schools exists in the South District, which is the same as reported for the past several years, that of over-crowding and lack of classroom space. Each year for the past few years we have been able to find a temporary solution only by allowing some classes to carry excessive loads and by transporting some groups to other schools. A temporary drop in kindergarten enrollment due to change of entrance age also helped this past year. This situation is now rapidly catching up with us and only by increased juggling of sixth grade classes from school to school can we manage for next year. The possibility of increased new home building in the area has further aggravated the problem.

This situation has become so acute that several study groups, including one from the Highlands and Liberty P.T.A. have recently begun investigation of possible solutions to this problem. The town-wide Downes study and recommendations as recently released offer many fine long range proposals which would eventually benefit this area. The problem as viewed by our local study group indicates that these proposals do not provide enough immediate and direct relief for the Highlands School area as well as the Liberty area and consequently they advocate an immediate addition to the Liberty School. Their study and report was most thorough and very well done, and if their estimates are accurate, could indicate possible need for a Liberty Street addition besides the Plain St. and Cranberry Pond buildings as recommended by the Downes report. In my opinion whatever is done must contain provision for immediate relief of the Highlands School as well as the Liberty School.

In addition to provision for new building to provide more classroom space attention should also be given to the upgrading of facilities at the Highlands School. Present facilities for lunchroom, kitchen, auditorium, gymnasium, office, library, health room, and guidance are inadequate and inconvenient. The large overhanging balcony in the auditorium is of little practical use and prevents the effective use of this space for effective physical education or assembly purposes.

Developing Vocational Skills

Combined Grades

From the point of view of a supervisor and administrator, the combinations, Grades 3 & 4 and Grades 5 & 6, have moved along smoothly and effectively.

It is evident to an observer that the children are fast and independent learners, which is probably one good reason for the apparent success of the endeavor. The teachers were well chosen as indicated by their adaptation to the situation. They have done a very excellent job, using every available facet or aid to promote good learning situations.

Curriculum

Recognizing fully that it is impossible to equalize teaching talent for all our classes we are endeavoring to equalize excellence in materials and curriculum which will fully meet the needs of all pupils - the child with exceptionally high ability and the very slow learner. At elementary level in Braintree we are presently trying five different contemporary mathematics programs. The GCMP distributed by SRA and Mathematics Workshop distributed by EBF are being presented this year to all pupils in two

One of the school trips financed by the Hollis Fund

Primary One classes, while in Grades five and six three new approaches are being tried with the more "able and ambitious" students. Programmed instruction material published by Croft, and Harcourt, Brace and World is being utilized by two of the combination classes. These books are constructed in a manner which enables the student to proceed through the subject matter independently in small steps, record the response, and check the correctness of the response immediately without assistance of teacher or classmate. The use of such programmed material could lead to important savings of teacher and pupil time. The third program is a paper covered, workbook-type format published by Ginn and Company. Common in all of these programs is emphasis on new terminology and definitions.

The accelerated program established several years ago has now become well established practice, and it is commonplace for groups to progress well into the next grade level work. The courses have been altered to meet the new changes and demands of the time. In these classes much individual work is done, emphasizing assignments such as reports, projects and experiments.

The introduction of such new teaching materials as the SRA individualized reading programs and new materials emphasizing the modern math approach has made it possible for teachers to do an even better job of providing challenge for pupils of higher ability.

The classes in Modern Mathematics in grade seven are progressing according to the schedule as planned last June. The teachers have found the students enthusiastic and diligent. In order for the program to be continued in grade eight a workshop for teachers will again be conducted this year.

In the high school the SMSG Math program will be introduced for Math - 10, Plane and Solid Geometry and Math 11 - Algebra and Trigonometry next September.

The introduction of French for the more able students in grade seven this year, after three years of Audio-Oral approach in grades 4, 5, and 6, has been very successful. With a qualified and excellent teacher these students have progressed exceptionally well.

Adaptive Physical Education, In developing the program of physical education pointing toward physical fitness for all, we should never lose sight of the children who will always be temporarily or permanently restricted in the amount and type of physical activity in which they can participate.

Adjustments must be made to meet the needs of these children. This, then, is where the value of the adaptive program in physical education lies.

It meets the requirements of those below par physically, underweight, or overweight; those with postural defects as shown through medical examination, and too, those few students with permanent physical handicaps who are unable to participate. In this latter type there should be an individually modified program of physical education activity developed.

With our adapted program of physical education in its second year, we are justifiably proud of its results. The average and superior students progress at an accelerated pace, enjoying the challenge of advanced skills.

But, most importantly, for the first time in their school lives, the students assigned to the adapted group are enjoying great personal success working in their small groups at comparable levels insofar as skill and ability are concerned.

Music The activity in this area of instruction is progressing in a very satisfactory manner. A great increase is noticed in the number of boys taking part in elective activities at junior and senior high school levels.

There are presently 276 instrumental pupils participating in the elementary program. An "All Elementary Orchestra" composed of the more advanced players is being organized and will be available for limited performance.

The Art department continues to maintain its usual high standards of achievement. An increasingly large percentage of students develop creative ability in this area.

Organization

Along with many changes taking place in the curriculum, consideration must also be given to changes in organization. The ungraded primary unit and the Double Purpose Plan, being tried on a modified basis, possess several meritorious features such as optimum utilization of teacher talent and background and the opportunity for the child to work with others having like needs.

The Double Purpose Plan. The Adoption of the Double Purpose Plan at Lakeside and Penniman Schools has created a new organizational approach to learning for the students of grades four, five, and six. This pilot program of work has moved the students and teachers from the self-contained classroom organization to a plan of organization whereby the student is allowed to advance in different curricular areas along two tracks.

The heart of the program is composed of two major divisions:

1. The General Program - in this division the students are grouped heterogeneously. In this area of social responsibility the child's academic program of work is in the Language Arts, Social Studies, Physical Education field, Art and Music.

2. The Specialized Program - Under the purpose of self-realization are the fields of mathematics, science, and reading. The students are grouped homogeneously. This segment of the plan presents a pattern which encourages some students, through homogeneously grouped classes, to proceed at their maximum speed, beyond what would obviously be desirable for others.

During the first year of the program the teachers have specialized in subjects at the usual grade level; in 1963 we anticipate the full operation of the Plan which will require teacher assignment of subject specialization across grade levels. The results of our present Acceleration Program have proven that superior pupils respond to the challenge of continuity and are able to go beyond grade level restrictions.

At present the Double Purpose Plan appears to present promise for accomplishing certain goals - better mental health, more integrated, more complete learning, and we feel our best course is to work toward the realization of the potential that is there.

Staff

The professional performance of the teaching staff should be highly commended. Along with the regular teaching duties, the staff has taken active part in the improvement of the curriculum by attending articulation meetings, workshops, serving on committees to revise courses of study, selecting text books and other teaching aids. Much time is also given to sponsor many special activities such as educational field trips, assembly programs, educational exhibits and club programs.

As a result of this attitude, real progress has been made in all areas, and the spirit of cooperation of the teachers, supervisors and principals and the administration, have made this one of the most productive years I have spent in Braintree. Only through such effort and enthusiasm could we have made such progress.

Much credit must also be given to auxiliary staff members who provide very effective services in support of our educational program. This applies particularly to our highly trained guidance counselors who work tirelessly to assist principals, teachers and parents, in trying to meet the needs of pupils with special problems. Their services to the system are invaluable. The audio-visual department has steadily developed to a high level of efficiency in providing teachers with a wide variety of visual aids and associated equipment to supplement and enrich their teaching. The gradual enlargement of the staff of remedial reading teachers has helped to make this service more effective as they are able to work with children who need help on a regular basis. It is my belief that this service will be of maximum value when a remedial teacher can be assigned to each building to work daily with these pupils.

Finally, I would like to express appreciation for the capable services of our school custodians who take much pride in maintaining the school building at a high level of cleanliness and efficiency and our school

secretaries who provide many types of assistance not only to principals but to teachers as well. All of these personnel contribute to a school team which has as its major objective the greater welfare of the children under its care.

The team spirit which prevails between the various departments in the public schools has helped Braintree to realize a school system well-known and respected among educators and school systems throughout this area. Through constant evaluation of our program and alertness to developments in the field we shall endeavor to bring that which is best to the children of the community.

We ask the parents to recognize and support this attitude, by a similar willingness to recognize the value of experimentation and adaptation of procedures to present day needs.

Respectfully submitted,

RALPH W. PROCTOR

GEORGE H. GERRIOR, JR.

REPORT OF THE SUPERINTENDENT OF SEWERS

January 2, 1963

The Board of Sewer Commissioners
Town of Braintree, Massachusetts

Gentlemen:

I submit herewith my annual report upon the activities of the Sewer Department for the year ending December 31, 1962.

New Construction:

2.4 Miles of new sewers were constructed during the year, as shown below:

<u>Location</u>	<u>From</u>	<u>To</u>	<u>Pipe Size Inches</u>	<u>Houses Served</u>	<u>Length in Feet</u>
Beech Street	No. Bowditch	Summit	8	7	303

<u>Totals</u>				173	12,905 Ft.

Total 1962 Construction	2.4 Miles
Previous Construction	<u>64.0 Miles</u>
Total Constructed to Date	66.4 Miles

This was the second year of a proposed 5-year program of lateral sewer construction based upon an expenditure of \$350,000.00 per year.

The contract for the construction was awarded to the lowest of eleven bidders, Ralph Richard Construction Company of Dedham. Work was started August 16 and by the end of the year 65% was completed, leaving the following to be completed early next spring: Argyle Road 245'; Audubon Avenue 180'; Cabot Avenue 507'; Easements 1,885'; Hilliard Court 300'; Jersey Avenue 565'; Magnolia Street 250'; North Bowditch Street 258'; Pleasant View Avenue 360'; Poplar Street 295'; and Tingley Road 261'.

A second contract was also awarded to Ralph Richard Construction Company, the lowest of five bidders, for the construction of a sewer to serve industrial and business property in the Granite Street and Wood Road area. Work was started November 5 and by the end of the year about 35% was completed. Waiting for permission to open the state highway delayed the starting of work more than three months. Since most of the construction is off the traveled highways, the Contractor plans to continue working during the winter months.

Plans for a third contract were completed for extending the sewer to serve Amherst Road, Portland Road and a part of Kenmore Road. This work will be advertised early in March of 1963.

The sewer in Helen Road and 1,088 feet of sewer in Wood Road was constructed by and at the expense of private developers under the supervision of the Sewer Department.

The M.D.C. constructed a short section of sewer in Howard Street to serve a low district in Quincy in accordance with authorization under Chapter 684 of the Acts of 1962. This sewer is available to serve properties in Braintree. A contract between the Sewer Commission and the M.D.C. provides for the payment of \$1,000 per year to the Town for the use of the Howard Street pumping station. It also provides for discontinuance of use upon due notice.

The present sewer system can now serve about 61% of all the buildings in the Town.

Assessments:

Sewer Assessments, amounting to \$34,964.99, were levied against 135 properties during the year.

When the connecting sewers are completed and ready for use in the spring of 1963, assessments will be levied against properties on Beach Street, Dobson Road, Lisle Street Extension, Granite Street, Hayward Street, Liberty Street, May Street, North Bowditch Street, Wilkins Road, and Wood Road.

There were 271 sewer connections, requiring 14,750 feet of pipe, completed during the year.

The new construction completed this year made the sewer available to serve 173 buildings and applications for connection were received from 131 of them.

The new underground pumping station at the end of Ellery and Jefferson Streets became ready for use on December 13, but, because of winter weather, no connections will be made on these streets until the spring of 1963.

There were 122 applications for sewer connection on file at the end of the year.

Maintenance

During the winter months, all the main sewers were inspected and all of the lateral sewers, 12-inches in diameter and under, were inspected and cleaned. There was one lateral sewer stoppage due to a root growth. There were 28 stoppages of sewer connections due to root growths.

Recommendations for 1963:

1. Continue third year of 5-year plan for extension of lateral sewers:	\$350,000
2. Relocate Pearl Street sewer in the vicinity of new bridge to be constructed over Monatiquot River:	15,000
3. Trunk sewer extension in Farm and Monatiquot River valleys between Jefferson Street and Granite Street to serve proposed industrial development:	400,000
4. Trunk sewer extension in Pond Meadow drainage valley from M. D. C. sewer at Pond Meadow to Grove Street near Columbian Road to serve proposed industrial development:	<u>350,000</u>
Total Recommended New Construction:	\$1,115,000

Mr. Arthur P. Andersen, elected a member of the Sewer Commission in March, 1959, died July 14. Mr. Andersen was sincerely interested in the development and growth of the Town and gave freely of his time and service to promote its best interests. Mr. Forrest A. Parmenter was appointed November 3 to fill the vacancy on the Sewer Board.

The close cooperation and valuable assistance received from other Departments and Committees of the Town throughout the year materially aided the Sewer Department, and are greatly appreciated.

Respectfully submitted,
GEORGE F. BROUSSEAU
Superintendent

BRAINTREE AIRPORT COMMISSION - 1962

William G. Brooks, Chairman

John W. Murphy

Gordon H. Robinson

William K. Stewart

George T. Woodsum

The Braintree Municipal Airport, located off West Street near Old Route 128, is registered with the Massachusetts Aeronautics Commission as a Commercial Landing Field, at latitude 40 degrees 12' 20" and longitude 72 degrees 02' 25" and is operated under the direction of the Braintree Airport Commission.

The 2300 foot runway, 100 feet wide is operated under strict rules as specified by the Massachusetts Aeronautics Commission, with an airport manager and two assistants as prescribed by the laws of the Commonwealth. All members of the operating group, commission and Airport Association serve without compensation and in the 16 years of operation the Commission have had no working financial budget for airport operation. Thirteen years ago the Town of Braintree appropriated \$1,000.00 to assist in building the runway but through the 16 years of operation private interests, aviators and persons interested in aviation have raised over \$75,000.00 to build the runway and spent thousands of hours of hard labor to build one of the best small airports in New England.

With the influx of many new business and industrial operations in Braintree the airport is one means of attracting new companies to settle in the area. Thousands of small planes are now used by business executives and the Braintree Municipal Airport is becoming a popular place for salesmen to land and service their customers and avoid a tedious and expensive trip from Boston. Telephone facilities at the airport make it possible to secure quick transportation to local business areas.

The Braintree Municipal Airport is located in an area far from the residential section of the town. The pattern of approach and departure for planes is far away from the town and the site has been declared by State and Federal authorities as one of the best in the Commonwealth.

The Braintree Airport Association, Inc., operating under the direction of the Braintree Airport Commission and Airport Manager, includes the active fliers and persons interested in aviation. The Association is open to residents of Braintree and the South Shore. Regular meetings are held on the first Thursday of each month in the auditorium of the Hollywood Lanes Bowling Alley on Forbes Road. It is not necessary to own a plane to be a member of the Association. Persons interested in aviation including fliers and students interested in joining the group should make application to the Secretary, Braintree 84, Mass. Dues are \$10.00 per year to be used for field improvement. Interesting speakers and social gatherings follow each meeting.

Tie down facilities when available are open to association members. All persons with planes using the airport must register with the Airport Manager. At the present time 29 planes are tied down at the Braintree Airport.

The officers of the Braintree Airport Association of 108 members, the active group interested in aviation for the year 1963 are as follows: President, William G. Brooks; Vice President, Arnold R. Stymest; Secretary, Mrs. Evelyn T. Billings; Treasurer, Dr. John F. McGee; Asst. Treasurer Mrs. Muriel O'Keefe; Airport Manager, Arnold O. Stymest. Directors, Arthur R. Fiorini, Peter J. Bottazzi, William B. Webber,

Malcolm Woronoff, George W. Condon, Herman Gatchell, Fred Russo, John Hobbs and Harlan Kingsbury. Airport Supts. Paul Sawtell, John Mullins, Frank Sartori and William Crooker. Social Committee, Mrs. Ann Harbison, Mrs. Claire Supple and Mrs. Muriel O'Keefe.

Members of the Airport Commission wish to commend the 108 members of the Braintree Airport Association who have contributed funds and hours of hard labor to make the airport a success. The sincere cooperation of members of the Braintree Water Commission and interest and assistance given by Water Supt. Donato T. Richardi has been most important in the successful operation of the air strip. Braintree is most fortunate to have the only airport in the local area and is a real asset to the Braintree Industrial Commission in attracting new industrial plants to the area.

WILLIAM G. BROOKS

BRAINTREE INDUSTRIAL & BUSINESS DEVELOPMENT COMMISSION 1962

William G. Brooks, Chairman; Charles R. Furlong, Secretary; John O. Holden, Treasurer; William B. Webber, Archie T. Morrison, Paul H. Young (Selectmen); Frederick J. Klay (Planning Board); Calvin E. Young (Assessors); Donato T. Richardi (Water Department); Carl W. R. Johnson (Electric Light Department); and William G. Dyer (Sewer Department).

The year 1962 will long be remembered as an outstanding period of successful expansion of business and industrial building in Braintree. The Town's strategic location at the junction of Route 128, the Southeast Expressway and Route 37 and the complete cooperation of officials of important town departments and interested citizens has helped to establish the fact that Braintree is fast becoming the leading business and industrial center of the South Shore.

Fortunately the more than 1,000 acres of land in the Town's 9 zoned Industrial Centers and Business Districts is located in areas that will not mar the beauty of Braintree's many picturesque residential properties. The far sighted work of Braintree's Planning Board Director and Commission members is to be commended for their forward thinking during the past 15 years.

For many years excessive residential building has increased the population of the town, resulting in the demand for an expanded school system and town services with a sharp increase in property taxes. Unless new industry and business is attracted in the immediate future, at a fast rate, home owners will again suffer an excessive tax burden. Fortunately the opening of the South Shore Plaza Shopping Center and sharp increase in business and industrial building allowed the Town Assessors to decrease the tax rate \$5.00 per \$1,000.00 valuation this past year.

Your Industrial Commission in interviews with many prospective buyers of industrial property realize that water lines, sewers, gas supplies and roads are an important factor in attracting national companies to build in Braintree. Important manufacturing groups refuse to purchase property in areas not served by town sewers. Two important industrial centers, one with 400 acres and the second with over 200 acres, both zoned for industry, will remain dormant until the town provides this necessary sewer system to the border of these large areas. At the present time these large areas are uninhabited but contracts are soon to be completed for large

national companies to start building in both areas, if sewers are available. Your Industrial Commission will not ask Town Meeting Members to provide this service until clients guarantee to build manufacturing plants that will pay taxes to absorb bond issues and interest over a period of 10 to 15 years. Special government grants may be available to absorb part of this sewer installation expense. These important steps must be taken while times are prosperous and financing is available or this land will remain dormant for many years.

The funds made available during the past two years for water lines and sewers to New Wood Road, located on the north side of Route 128 has opened up over 90 acres of desirable land in the new "South Shore Plaza Industrial Center" resulting in three important additions to Braintree's tax structure, namely; the Wollaston Alloys Inc. modern factory, Henry Jenkins Transportation Co. trucking terminal and Red Coach Grill Restaurant, who have prepared their building site on Granite St. and will build a \$250,000.00 building in early spring when sewers are available. A 5 year sewer bond covered the cost of sewer construction and will more than pay for this facility that will service many more manufacturing units that will be built on the remaining 80 acres. As a result of this investment by the Town of Braintree, property owners "On the Hill" have built private sewers, installed water lines, gas and completed roads at a cost in excess of the appropriation of the town, opening up one of the most desirable Industrial Plazas on the great highway Route 128.

Citizens of Braintree must realize that other towns on the South Shore have desirable industrial property and are fast providing sewer and water supplies to their available industrial land. Braintree has a head start but must realize that an investment today for sewers will bring thousands of dollars of tax money in years to come. One lost industrial building with a value of \$1,000,000.00 would have built a sewer line to an industrial center and not cost the taxpayer additional money during the period of the sewer bond issue.

The new industrial and business buildings completed in 1962 are as follows: Wollaston Alloys Inc. manufacturers of ferrous and non-ferrous alloy castings, formerly of North Quincy; Henry Jenkins Transportation Co. trucking center serving all New England, formerly of Mattapan, Mass., both in the new South Shore Industrial Plaza, a large addition to the plant of the Abrasive Products Inc. on Pearl St., South Braintree, manufacturers of Coated Abrasives. In the Messina Industrial Center, on Messina Drive off Pond St. the Whiting Milk Co. have built one of the most modern milk distribution plants with 120 new trucks covering South Shore routes, a new office building for the F. X. Messina Enterprises and Tomasi Nurseries Landscape Center and the new building of F. E. Daddario Corp., general contractors, to be completed in March. On the Messina site a 2-story manufacturing plant for the Hixon Electric Company will be erected in the spring.

The 300 ft. by 150 ft. Forbes Office Building on Forbes Road bordering Route 128, constructed by C. Healy Co., Thomas Hannaford Pres. was completed last spring and now has the following tenants: Shelby Mutual Insurance Co. regional headquarters; Pioneer Carmer Co., Contract Administration Inc., C. Healy Co., E. J. Barret Jr., attorney, F. J. Weiner Co., Frank Taylor Associates, Streater Store Fixtures Inc. Regional Offices; Libby McNeal Libby and Arthur C. Curren Co.

At the Carlino Industrial Center on Pond St. the M. J. McDonald Son manufacturers of kitchen cabinets erected a new building and the H. & R. Mfg. Co. of Cleveland, manufacturers of windows are building an addition

to their plant. The Carlino Engineering Co. have started a new office building and garage on Pond St. L. Grossman Sons moved their central offices from Quincy and their several hundred employees are now located in a spacious office building in the Grossman Business and Industrial Center on Union St., South Braintree.

Other business buildings completed in 1962 in the South Braintree Business Center are the addition to the Braintree Savings Bank, New Braintree 84 Central Post Office built and owned by private interests on Washington St., Fasano's Diner and Restaurant and Ye Olde Village Garrison Office Building by McNeally & Bucknam now under construction in South Braintree Square. The Paul Sweezey Co. building on Adams St. was completed in 1962.

Other major buildings completed or under construction include the Tassinary Apartments on Elm St., McNeally and Bucknam Apartment House on Hancock St. and Hall Ave., South Braintree, 2 McNeally Bucknam Apartment Houses in Braintree Highlands on Washington St., and the Rectory of St. Thomas More, corner of Elm and Hawthorn Road to be completed in early 1963.

The Braintree Observer Press Co. has moved to a building on Pearl St. across the street from their former plant and the Sigma Instrument Co. are renovating the building on Pearl St. vacated by the Observer Press.

The following report was submitted by Paul W. Lowney, manager of the South Shore Plaza Shopping Center with the notation. South Shore Plaza Continues to Grow: "Since the inception of South Shore Plaza, and the first store opening in February of 1961, the Plaza has grown to 45 stores and services. In 1962 six new stores opened at South Shore Plaza: included among these are R. H. Stearns, the Finishing Touch, James David Shoe, The Rib Room Restaurant, the Tivoli Restaurant and Liberty Mutual Insurance Company. In the past few days a Service Station has opened and earlier in the year the Charter House Motel of the Hotel Corporation of America opened a 103 room hotel, dining room and conference room facilities.

"With these additions, South Shore Plaza has grown to over 450,000 square feet of selling space, which is doing in excess of \$20 million per year. The forty-sixth store, Lane Bryant, with 7,000 square feet is due for a March 1963 opening. The Plaza's 3000 car parking area provides parking space for customers and employees at all times.

"With Phase Two leasing starting in 1963, the South Shore Plaza will become the largest shopping center in New England, and the most enjoyable regional center in the East for shopping. With the opening of South Shore Plaza's meeting room in February, the Plaza will become a real community center, as well as the center for shopping in the South Shore."

The Braintree Industrial & Business Development Commission invites citizens of Braintree to recommend Braintree as the ideal place to build new industrial plants.

WILLIAM G. BROOKS

ENGINEERING DEPARTMENT
Harold C. Pearl, Town Engineer

Numerous compiled plans showing available industrial property were prepared for members of the Industrial Board.

Considerable time was spent checking the physical characteristics of available land for prospective buyers of industrial property.

Personnel from this department attended all auctions of tax title property and furnished plot plans showing boundary lines, etc.

The Braintree Street and Zoning Maps were revised and printed.

Highway Department

Grades of Court Road and Selwyn Road were checked.

Granite Street center line from Town Street to Randolph line was established.

Layouts were made of the following:

- Forest Street from Liberty Street to Birch Street
- Massachusetts Avenue from Arbutus Avenue to Brewster Avenue
- Winthrop Avenue from Washington Street to Arbutus Avenue

The following sidewalks were staked out:

- Audubon Avenue from Arthur Street to Quincy Avenue
- Arthur Street from Arborway Drive to Audubon Avenue
- Hillside Road - 300 feet
- Middle Street - 170 feet
- Peach Street between No. 40 and No. 74

Drains were staked out for the following:

- Central Avenue from No. 61 to Franklin Street to Sunset Lake
- Forest Street from Liberty Street to Birch Street
- Massachusetts Avenue from Arbutus Avenue to Brewster Avenue
- Town Street from No. 24 to Pond Street
- Winthrop Avenue from Washington Street to Arbutus Avenue

Park Department

Grades were established at the 6th tee at the Municipal Golf Course.

A layout was made of the East Junior High School football field.

Police Department

Layouts were made for stop signs at the intersections of the following streets:

- Ash Street and Monatiquot Avenue
- Liberty Street at Division Street
- Union Street and Middle Street

Miscellaneous

A layout was made for a water main on Wayne Avenue from Pond Street to St. Michael Road for the Water Department.

A plan of Henry D. Higgins property on Washington Street was prepared for the School Department.

The following former Braintree Housing Authority property was surveyed at the request of the owners:

Drake Street - 1 lot
Erickson Street - 3 lots
Mann Street - 1 lot
Pantano Street - 6 lots

Nine hundred deeds were processed for the Board of Assessors and the required changes made on plans and records.

All subdivision plans from the Registry of Deeds were processed and changes made on plans and records.

One hundred forty new buildings were located and plotted on Assessors Plans, together with three hundred fifty additions.

ELECTRIC LIGHT DEPARTMENT

Your Commissioners submit the Annual Report of the Braintree Electric Light Department for the year ending December 31, 1962.

WALTER J. HANSEN, Chairman
ERNEST S. REYNOLDS, Secretary
CARL W. R. JOHNSON

MANAGER'S REPORT TO THE MUNICIPAL LIGHT BOARD

Gentlemen:

The year 1962 saw much development and growth in the Electric Light Department. Increasing load requirements, particularly the larger number of individual customers with heavy power requirements, has required a new approach to generation and distribution. This will be discussed in some detail later in this report.

The growth pattern is somewhat changed this year and is quite evident from the following comparison:

	<u>1962</u> <u>Kwh.</u>	<u>1961</u> <u>Kwh.</u>	<u>Increase</u>	<u>Percent</u>
Residential	38,784,058	36,732,335	2,051,723	5.68%
Commercial	3,697,037	3,615,893	81,144	2.3%
Large Commercial	21,534,828	16,870,058	4,664,770	28.54%
Industrial	38,447,680	35,324,580	3,123,100	8.86%
Municipal	3,255,947	2,790,853	465,094	16.7%
Street Lights	2,307,612	2,070,675	236,937	11.4%
	108,027,162	97,404,394	10,622,768	10.9% average

While the number of residential customers has increased by only 98 or 1.4%, the average power use per home has increased from 4256 to 4443 or 187 kwh. equal to 4.3%. This has resulted in an increase of 5.68% over the previous year which is a somewhat lower rate of increase than the previous year.

The Commercial customer is rapidly becoming a large user of power because of refrigeration, air conditioning, higher lighting requirements, etc., and we find a change in many instances from the Commercial rate to the large Commercial rate for many customers. This Large Commercial or Small Power rate now covers most stores, gas stations and small business establishments and has shown a healthy growth this year of 28.5%. Last year this same rate increased by 90.0% which of course was largely the result of the Shopping Plaza.

Our Industrial installations have again shown a large increase of 8.86% bringing this type of power requirement almost equivalent to the residential use. Last year this requirement increased by only 3.1%. Added industries should increase this requirement substantially during 1963.

Municipal usage and street light requirements show an increase of 16.7 and 11.4% respectively, showing the steady growth of our Town's requirements. This overall picture shows a total sales growth of 10.9% which means that the Department power output doubles every eight years.

The planning necessary to meet the problems of generating and distributing power to such a rapidly growing load has, and is, receiving a great deal of study. In the generating field, purchase power has been considered rather than install additional capacity, but the costs of this source of power far exceed the financing and operating costs of our own generating equipment. Possibly, in the future, this may not be so, but, we find it prohibitive to purchase anything but emergency standby power at this time. Our generating equipment consists of five units of varying sizes and ages. The newest units installed in 1953 and 1959 are in excellent condition. The oldest units at Allen Street Station are in good condition and are considered very dependable for the immediate future. The main problem confronting our generating capability is firm power for peaking capacity, that is, having adequate reserves should the largest unit become inoperative during peak load. This type of peaking capacity is absolutely essential for dependable service but may never be called on to deliver any large quantities of power. For this purpose the very cheapest investment in capacity should be made without too much regard for efficiency as the equipment should not be called on too frequently except in case of emergency.

The decision to purchase 5000 KW of diesel generating equipment for this purpose has been made and the units are scheduled for delivery late March or early April, 1963. This peaking equipment can be expanded an additional 5000 KW, to a total of 10,000 KW, as required, but this will be the largest amount of peaking capacity that the Braintree system can use. Future expansion of our generating facilities should then be made by means of base load steam plant or any more efficient method should one be available when the time arrives.

Addition of the two diesel generating units will cost \$578,000.00 and will be financed entirely from Light Department funds. The installation of this diesel generating capacity at Plain Street Sub-station will also delay installation of line capacity to the area. This area now requires over 14,000 KW of power and the line capacity is 19,000 KW. Loss of one line could reduce the power available to the area until repairs could be effected. The diesel generator will now be in a position to replace this line in case of failure.

With our present equipment and the total peaking capacity of 10,000 KW installed, a new unit at Potter Station or some other source of power will be required by 1967. Means of distributing this power to our customers in an efficient, well regulated manner without overloading our streets with numerous feeders and large conductor sizes has merited much discussion during the year. A decision was reached whereby power will be delivered to our customer transformers at the same voltage as our generator terminal voltage. This has the attraction of cutting our line losses by approximately 30% and investment for future transformer sub-stations and regulators will not be required. This system has been installed to serve the South Shore Plaza and with the addition of a new feeder in 1962 now serves Woods Road and Forbes Road. During 1963 it will be extended from Forbes Road to the Randolph line. This line will be available to serve the new industries anticipated along Route 37. A second high voltage line from Allen Street to North Braintree area now under construction should be in service before peak loads next December. Other 15 KV lines will be installed as necessary to replace obsolete equipment and overloaded low voltage distribution equipment.

The purchase of hydraulic equipment for pole setting and removal as well as the hydraulic bucket has added much to our line Department equipment and at this time we anticipate doing all line reconstruction with our own crews. The addition of compact trucks for meter installation and servicing of sub-stations has been a great improvement over our former method of transportation.

Replacement of our original radio equipment which had become obsolete and difficult to maintain has also contributed much to the efficient use of all our mobile equipment.

REPAIRS AND NEW CONSTRUCTION

In our Steam Department most equipment is in good operating condition. No. 5 boiler is one of our oldest units and replacement of the air heater tubes must be completed this year. Some superheater tubes in this unit are blanked off but further difficulties in this area are not anticipated. Other boilers are in good condition and no major repairs are expected this year.

No. 2 turbine will require replacement of the inlet nozzle blocks this year, and No. 1 Unit at Potter will require replacement of part of the governing mechanism. No other major repairs are anticipated this year.

Line truck No. 3, purchased in 1955, should be replaced with a new one this year.

Additional switchgear units for Allen Street should be purchased and installed for extension of 15KV from that station. An additional 15KV unit should be added at South Shore Plaza Station 8 to serve Granite and Pond Street line.

At this time some consideration should be given to a new office or a new office site and new equipment to update our present methods of accounting and billing. Studies of this type generally take considerable time and new office facilities will be required within the next three years.

I wish to thank the Board of Commissioners of our Electric Light Department for their counsel and guidance in directing this Department during the year. I also wish to express my appreciation to each employee of the Department for their loyalty and co-operation.

To the Selectmen and all Town Officials and Employees who have aided in so many ways, I wish to express my sincere thanks for your co-operation and assistance.

Respectfully submitted,
ALBAN G. SPURRELL
Manager

REPORT OF THE SEALER OF WEIGHTS & MEASURES
FOR 1962

To the Honorable Board of Selectmen:

I herewith submit the annual report as required by the General Laws, Chapter 98, Section 34.

The weighing and measuring devices in the Town were tested and found to be in good condition. \$552.30 in sealing and adjusting fees was turned in to the Town Treasurer.

I wish to thank the businessmen and Town Officials for their cooperation.

Following is a summary of the work done during the year:

	<u>Adjusted</u>	<u>Sealed</u>	<u>Condemned</u>
Scales over 10,000 lbs.		4	
Scales 100 to 5,000 lbs.		28	
Scales under 100 lbs.	10	135

CALVIN E. YOUNG
Sealer of Weights & Measures

BOARD OF APPEAL UNDER THE ZONING BY-LAW

December 28, 1962

Board of Selectmen
Town Hall
Braintree, Massachusetts

Re: 1962 Annual Town Report

Gentlemen:

Submitted herewith is the Board of Appeal Report of matters affecting issues as presented for its consideration during the calendar year of 1962.

As a consequence of growth and demand for uses of land, the Board has been constantly confronted with many complex matters relating to the use thereof. What should or should not be granted by way of not only a variance, but also of exceptions permissive or otherwise is of deep concern to the Board.

It should be noted that the Board's functions are quasi-judicial in nature and substance. Thus, its opinions and determinations are governed by the statutory provisos and decisions of the Supreme Judicial Court.

Appeals to the Board as a consequence must have a legal premise to be granted favorable consideration. Absent such a basis, the Board has no recourse but to deny the applicant the relief as sought.

Respectfully submitted,

HYMAN BORAX
Chairman
